Dear Sirs,
I am writing a request for a medical board in connection with war disabilities contracted by active service. Forms came twice but Dr. Mosley who was here at that time refused to fill them out. I do not think he had authority to do this. I am at least entitled to a chance to prove my claims, and as an ex-soldier I think I am entitled to a medical board.

Yours faithfully

Enclosed is a nominal roll of
H.C.O's and Men who are shortly being
repatriated as Medically unfit.

It is understood that there are
now a considerable number of men at
St. John's, who cannot be sent out at
present on account of an outbreak of
measles.

Is it possible for the Men to be
Vaccinated and Inoculated before being
sent over here. If this could be
arranged it would greatly assist the
training here, it would mean the saving
of about a fortnight, which, in these
days when the training period is so
short, would be of great advantage.

It is noted in the records forwarded by you in connection with the 1914-1915 Star that this man has forfeited his Medal as it has been stated that he has been discharged with ignominy. Reference to his Field Conduct Sheet shows that he received two convictions by Field General Court-Martial, but he was released and the remainder of his sentence remitted. I am enclosing this for your information and verification and I should be glad to know if this man is not entitled to his award of Medal.
