Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (a) caused or aggravated by service in the present war, (b) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war; **Yes**
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or **No**
- (v.) Whether it is constitutional or hereditary.

**Weakness right leg in walking. Long scar inner side of right calf - quite healed. Complains that cannot walk off his toes**

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? **G.S.W.**

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

*Degrees of disablement should be expressed in the following percentages:—* **20%**  
100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or **Yes**
- (b) Change to England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended?

To His Majesty's Government.

Apr. 14<sup>th</sup> 1919

Dear Sir,

I received the letter from you dated March 12. also the cheque, which I thank you. Will you say you instructed Magistrate March to send me back to St John's, if there was no other means of getting home. Magistrate March came to me and asked me if I was going to St. John's, and I said, no<sup>3</sup> I couldn't go and leave my wife amongst strangers, and owing to her condition, she could not do with the journey, after being knocked about in the steamer for fourteen days, so I thought I would remain at Curling untill I would see a chance to get home, and that I did on Feb 22<sup>nd</sup>, I went to Magistrate and asked him to wire, and ask if you were satisfied to pay expenses for Dog Team, as far as Port Saunders, and as he did so, at that time I had to wait for a train to take me to Dearlake, and when it did come it was too stormy to travel by Dog Team. So I told Magistrate March that there was nothing else for me but wait till the steamer run in may, and he said it was

foolish for me, to travel at that time, when I and my wife was living under Government expenses So I considered it at the time, and said I would. then I thought the Magistrate would advise you at that time, as you say he did not.

And as for me working while waiting to get home, I havent earned one cent becuase I couldn't I have been feeling sick since ever I left St Johns and my leg pains and swells at times.

I think the Government should give me a light job of some sort and a good pension, because I am entitled to it, but for \$10<sup>00</sup> Per Month its out of the question altogether. When some Soldiers can get \$30<sup>00</sup> Per Month for only going the length of Halifax surely I can get \$30<sup>00</sup> for going to France and getting, broke up in health.

I have only got \$15<sup>00</sup> since I left St Johns Jan 2<sup>nd</sup> and my wife got \$20<sup>00</sup> cheque, at the rate of \$10<sup>00</sup> Per Month I should have got \$30<sup>00</sup> instead of \$15<sup>00</sup> since Feb 3<sup>rd</sup> to April 3<sup>rd</sup> I think there's a Mistake some where, but I hope you will try and do better than that for me. THE ROYAL NEWFOUNDLAND REGIMENT  
DISCHARGE DEPOT

ST. JOHN'S, NEWFOUNDLAND.

March 8th/19.....

From Officer Commanding,  
Discharge Depot.

To D.O.C., Newfoundland,  
Militia Dept.

1946, Pte. A. HOUSE

In connection with the attached correspondence forwarded to me for report. The full circumstances of the case are as follows:-

Early in January Pte. House appeared before the Demobilization Officer for transportation and Release Certificate and stated that his home was in Port Saunders but he wished to proceed to Bonne Bay and remain there for the Winter and he was accordingly issued with a Travelling Warrant to Bonne Bay.

On 20th January a message was received by the Minister of Militia stating that there were two soldiers at Curling and requesting the Department to guarantee expenses to their homes. On enquiry I found that they were Pte. Halfyard of Bonne Bay and Pte. House of Port Saunders. The expenses referred to were to cover cost of hiring a Dog-team from Deer Lake.

On 21st January Magistrate March wired to Depot that Private House's condition would prevent him from walking any distance and so he recommended that he return to St. John's. On the 22nd January I wired Magistrate March instructing him to send House back to St. John's if there was no other means for him to get home than by walking and if he was unfit for the journey to send him back to St. John's and advise me.

On January 30th I received another wire from Magistrate March to the effect that Halfyard had travelled to his home and that House and his wife were expected to travel shortly. On February 12th another telegram was received which stated that House and his wife were remaining at Curling for the Winter and requesting that his Board money be forwarded. On February 14th I wrote to Magistrate March asking for particulars of House's position and whether House's decision to remain at Curling was owing to inability to ~~make~~ travel to Bonne Bay owing to his physical condition and acting under Dector's orders, or whether he was working there while awaiting an opportunity to proceed to Bonne Bay or Port Saunders. To this letter I have had no reply.

On February 22nd Magistrate March again wired to the effect that House and Wife were anxious to get to their home in Port Saunders and that the cost of transportation (presumably by dog-team) would be \$60.00. I brought the contents of this telegram to your attention at the time, and at your instructions, I wired to Magistrate March on same date to send them home at first opportunity and advise me. Since that time I have received no further word as to the situation

Private House's account, as far as Depot is concerned, was finalized before he left.

All other claims for money that he may make I must refer to the Paymaster & Officer i/c Records, Militia Department.

To His Majesty Government.

Dear Sir,

I have been informed by Headquarters, that my Wifes board cant be payed any longer, and I dont know how I can pay it myself as I have no money, I havent got any money since I left St. Johns, and I only got money for my clothes then. So I think its time now for me to get some now.

I would have been better had I got home, But the Portia put me out here in Bay Islands and I had nothing but strangers to go to. I would try and walk home, but my leg wont allow me as it swells up, I could get Dog team to take me to Bonne Bay if I had Money to Pay Board on way There is not even any Government jobs I can get here or I would have tried something. My Wifes Allotment was stopped.

when she came to Newfoundland. in December  
So none of us has got any money  
I think my Wife should have got her  
Allotment until I got discharged  
I think it very unfair now treating  
me so, after serving three years and  
a half, and the most of that time  
in France, and Partly Broke up  
in health, owing to wounds in my  
leg. So I hope you will see into  
the matter, and get me some money,  
and get me home or otherwise a  
government job of something.

Reply by wire or as soon as possible  
I am Sir

Your Obedient Servant

Act D.C.

Mar. 12, 19.

Private A. House,  
Curling, Bay of Islands.

Sir:-

Your letter addressed to His Majesty's Government has been handed to me and I note what you state and for your information I enclose copy of correspondence which has passed between the O.C. Depot and Magistrate March of Curling. You will note that the O.C. Depot instructed the Magistrate to send you back to St. John's if there was no other means of getting you home than walking. On February 22 O.C. Depot wire to Magistrate March to send you and your wife home the first opportunity to which he has had no reply. We were under the impression that you were home in Port Saunders and the Pay Officer were awaiting a notification to that effect from you. They are sending out a cheque to your wife. I am enclosing a document for you to fill and sign before a magistrate or J.P. It is for your War Service gratuity, which you will return to Captain Howley, Paymaster and O. i/c Records, St. John's. I am also forwarding document for you to fill in for Separation Allowance if you were married before the 31st August 1917 you will be entitled to your back Separation Allowance and also you will have to forward your marriage certificate. I am very sorry that you and your wife have been put to so much inconvenience but you will remember that it was your own wish to go to Bonne Bay. Hoping that every thing may turn out O.K.

Yours faithfully,

Major.

District Officer Commanding Newfoundland.

We have received notification from the above-mentioned man that he has arrived at Port Saunders.

From Officer Commanding,

To D.O.C., Newfoundland,  
Militia Dept.

1946, Pte. A. HOUSE

In connection with the attached correspondence forwarded to me for report. The full circumstances of the case are as follows:-

Early in January Pte. House appeared before the Demobilization Officer for transportation and Release Certificate and stated that his home was in Port Saunders but he wished to proceed to Bonne Bay and remain there for the winter and he was accordingly issued with a Travelling Warrant to Bonne Bay.

On 20th January a message was received by the Minister of Militia stating that there were two soldiers at Curling and requesting the Department to guarantee expenses to their homes. On enquiry I found that they were Pte. Halfyard of Bonne Bay and Pte. House of Port Saunders. The expenses referred to were to cover cost of hiring a dog-team from Deer Lake.

On 21st January Magistrate March wired to Depot that Private House's condition would prevent him from walking any distance and so he recommended that he return to St. John's. On the 22nd January I wired Magistrate March instructing him to send House back to St. John's if there was no other means for him to get home than by walking and if he was unfit for the journey to send him back to St. John's and advise me.

On January 30th I received another wire from Magistrate March to the effect that Halfyard had travelled to his home and that House and his wife were expected to travel shortly. On February 12th another telegram was received which stated that House and his wife were remaining at Curling for the winter and requesting that his Board money be forwarded. On February 14th I wrote to Magistrate March asking for particulars of House's position and whether House's decision to remain at Curling was owing to inability to ~~walk~~ travel to Bonne Bay owing to his physical condition and acting under Doctor's orders, or whether he was working there while awaiting an opportunity to proceed to Bonne Bay or Port Saunders. To this letter I have had no reply.

On February 22nd Magistrate March again wired to the effect that House and wife were anxious to get to their home in Port Saunders and that the cost of transportation (presumably by dog-team) would be \$50.00 I brought the contents of this telegram to your attention at the time and at your instructions, I wired to Magistrate March on same date to send them home at first opportunity and advise me. Since that time I have received no further word as to the situation.

D.O.C.....2

Private House's account, as far as Depot is concerned, was finalised before he left.

All other claims for money that he may make I must refer to the Paymaster & Officer i/c Records, Militia Department.

To Magistrate March,  
Curling

Dear Sir:

With reference to the various telegrams that have passed between us concerning 1946 Pte. A. House, the last intimation I have received from you is a telegram dated Feb. 12th, stating that House and wife are remaining in Curling for the winter and requesting his board money to be forwarded.

Will you kindly advise me as to his present position - whether his decision to remain at Curling is in consequence of his being unable to travel to Bonne Bay owing to his physical condition and acting under the doctor's advice, or whether he has set himself to work in Curling for the remainder of the winter whilst awaiting the opportunity to proceed to Bonne Bay or Port Saunders, as the case may be.

If he is staying on purely and simply on account of being unable to travel owing to his wounds, then his board bill will be paid until he proceeds home; but he must pay his wife's expenses himself. He should then avail of the first opportunity of resuming his journey home, if the doctor thinks him fit. If on the other hand he is working and receiving pay, he will be responsible for his own board and other expenses.

Meanwhile I shall certify his own board bill from Jan. 4th to Feb. 12th, the date of your last message.

Hoping to have an early reply,

Yours very truly,

RHTK

To ~~W. K. Angwell~~ <sup>Angwin</sup>, J.P.,

Dear Sir:-

Your letter of April 26th to the Minister of Militia concerning the Board-bill of #1946 Pte A. House and wife has been passed to me.

There has been a lot of correspondence concerning this soldier and letters and telegrams have been sent to Magistrate March from time to time. In short the circumstances of his case are as follows:

On January 2nd Pte House was discharged from the Regiment and transportation for himself and his wife was given him to Port Saunders. He reached as far as Curling where we were advised that he was ~~not~~ unable to proceed any further owing to his condition and to the state of his health. Since that time efforts have been made either to send him back to St. John's or to arrange for him to carry on to his home. It was understood at the time that he and his wife were to be boarded at Curling until such time as he could go home.

I am writing to you in order that you might arrange that House and his wife avail of the very first opportunity to continue their journey to Port Saunders.

I understand that the boats will be running very shortly and as it is rather a heavy expense on the Department to keep them there any longer than is necessary. I should like you to warn Pte. House that if he neglects to proceed home on the first opportunity, and that I should judge would be during the first week of May, his Board-bill will be stopped and he will have to pay his own expenses

D.O.C.....2

expenses)

from that time on.

I would be greatly obliged if you could take this matter up and let me know when, in your opinion, House and his wife can travel and also inform me of the date of their departure from Curling. If you wish for further information as to the correspondence that has taken place perhaps you might see Magistrate March. When House reaches his home you might possibly arrange that he be examined by a Doctor there as to his physical condition and report sent on to the Director of Medical Services, Militia Department, St. John's thus obviating the necessity of sending House to St. John's for a medical examination.

In the meantime I shall certify the Board-Bill for Mr. John T. Park which you enclosed in your letter.

Yours very truly,

Captain,

Dear Sir,

I am duly in receipt of yours of 1<sup>st</sup> inst  
and acty contents.

I would say that immediately on receipt  
I sent notice to Private Stoves advising him to  
come in here at once to be ready for the S.B. Ethie  
which I presume will sail next week.

I have also arranged with Dr Fisher to  
have him examined here in transit. There is  
no Med. Pract. nearer his home than at Bonne Bay  
and there may be scant or no opportunity for exami-  
nation while steamer waits at Bonne Bay.  
Hence I think what I propose is the correct  
thing and trust it meets with your approval

Yours

arranged for himself and wife leaving by

trust there will be no slip up on this.

I gave him an order for his & wife's passage

Satisfactory

Dear Sir:-

I must thank you for your communications of the 9th and 14th inst in relation to Pte. A. House and wife. I note by the latter letter that House expected to leave by the S/S "Ethie" on the day that you wrote, and also that he had been Medically Examined by Dr. Fisher.

I trust that the arrangements we made have been carried out satisfactorily and I wish to thank you for all the trouble you have taken in the matter.
