Dear Jamie

Would you be kind enough to enquire if my letter, which I forwarded about two weeks ago, is being attended to. I wrote to get a passage booked on the same boat as my wife's passage is to be booked on, and as she has not received any more word since she filled in her papers for her passport, we were wondering what could be the reason as we have been waiting on and have ~~now~~ everything ready to go, and some of the others have gone some time ago.

I came across on purpose to help her over with her luggage and did not intend to stay so long, as I

am ~~for~~ temporary discharged till

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., *not later than the day after admission*; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.

Dear Sir:-

Will you kindly endeavour to have Private Thomas Humphries No. ~~500~~ 375, declare an allotment in favour of his Grandmother? Mrs Eliza Doughall. He had an allotment current formerly, obtained only after a request to the Commanding Officer of the Regiment, but cancelled it some months ago.

His grandmother, whose only support he was, is now practically destitute, and dependent on the Patriotic Fund.

Kindly use your good offices in her behalf.

Yours truly,
