Opinion of the Medical Board.

**Notes.**—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

*G. I. A.*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

*No*

23. Is the disability permanent?

*some may persist six months*

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

*Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

*20*

26. If an operation was advised and declined, was the refusal unreasonable?

*No*

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

Mr. John Roper, S.M.  
Bonavista.

Dear Sir,-

I have been directed to ask if you can give me some information regarding the family of Mrs. Elizabeth Hunt, who, as you are aware, has made Application for Separation Allowance.

Will you kindly inform me in what service her son Kirby enlisted, also in what service her son Lewis is at present engaged, and whether he makes her any allowance.

I would also like your opinion on the following question.

Do you think that she is entitled to Separation Allowance on account of her son James, in view of the fact, that this son does not make her any allotment?

Separation Allowance regulations provide, that before Separation Allowance can be granted, the soldier must allot at least half of his pay, to his dependent.

An early reply will oblige.

Yours faithfully,

Capt. & Paymaster.

any pension ~~from~~ <sup>for</sup> son Kirby?

Sir

Yours of 16<sup>th</sup> instant, in re. Mrs  
Clay Stunk's application for separation  
allowance, to hand.

The sons, Lewis Kirby both enlisted  
in British Columbia via Canadian  
Service. As to whether Lewis makes an  
allotment in her favor can't say, but  
should judge not. He has been absent  
for many years during which his  
mother scarcely ever heard from him.

I should consider her entitled  
to a separation allow. on acc of her  
son James. I understand when leaving  
Newfoundland he made an allotment  
in favour of his brother Montgomery.  
Who lives in England. Part of this was  
paid to the mother, the rem. to be kept  
for James. This son Montgomery is married  
has a family. Therefore James is the widow's  
only support. I think an allotment or  
a separation allowance to her would  
be only ordinary justice

I may say that, previous to entering  
 Kirby Hunt used to help his mother  
 considerably. Perhaps this may be  
 the reason that James left her only  
 a portion of allotment.

Yours truly
