Lieut. Hunt proceeded per s.s. "Grampian" embarking at Liverpool to-day. Passage has been booked and will be charged to Overseas Transport account in this office pending your consideration of his case which is at present understood to be one of compassionate leave.

9/5/19 24/1/18
Your letter states that cost of passage for leave on compassionate grounds is to be borne by the individual officer or man concerned.

It is urgently desired that Lieut. Hunt may be permitted to return to this office as soon as conveniently possible as his services will be essential in the final clearing up on this side. In view of this your instructions are requested as to what action should be taken with regard to adjustment of cost of passage. If it were not necessary for him to return here the cost of passage would be chargeable against Public Funds.

Dear Mr. Bennett,

My mother was taken seriously ill to day and has to go to the hospital for an internal operation, which may be a dangerous one.

I should like to know if under the circumstances there is any possibility of my brother, Nicholas, being transferred from the London Pay and Record office or given leave. My mother is very anxious to see him and he has been on service since 1915. In February of that year he went overseas and has not been home since.

I hope that under the circumstances it may be arranged that he come here at an early date, if it is at all possible.

Trusting you will give the matter your kind consideration,

R. P. Dineen

Major,
Paymaster & O i/c Records.

This memo was received too late to be effective for the month of March, but I will suspend allotment for April 1917. In consequence it will be necessary to deduct one day's allotment in his account.

Would it not be advisable to have this man cancel his allotment altogether, in view of the fact that he so often suspends it. He might then make special remittance from time to time. This would not mean as much trouble for us, and would seem to me to be an altogether preferable arrangement.

SYNOPTICAL"

Although as explained in the memorandum quoted this officer's services would be necessary in assisting in the final clearup of the office, in view of your telegram no alternative was left but to acquiesce to his demobilization.

A good deal more work will be thrown on those left behind but it is hoped that with the departure of the "Corsican" draft, the current work will be considerably lightened, also that the arrears of work will be brought up to date.

Sir: I have the honour to ask that the Department of Militia may grant me immediate payment of gratuity money to which I shall be entitled to for the months of August September & October: My reason for asking this is that I am anxious to purchase an interest in the business with which I am associated and, if I am unable to obtain my gratuity amount, I shall have to endeavour to borrow same.

I understand that in cases of this kind the Department sometimes grants immediate payment and I hope that my request will meet with your approval:
