Descriptive Return of a Soldier medically boarded before Discharge or Transfer to the Reserve.

INSTRUCTIONS.—Parts A. and D. of this Army Form are to be completed for every soldier prior to his being medically boarded with a view to discharge or transfer to Class W., W.(T), F., or P.(T), of the Reserve, as follows:—

- (a) By the O.C. unit prior to the soldier being sent to the Discharge Centre.
- (b) By the Officer i/c Central Hospital, when the soldier is a patient in hospital, prior to his being brought before an Invaliding Board.

It is most important that all particulars should be correctly filled in, and that the soldier should be given a full opportunity of examining the Army Form before he signs the Certificate below, as, if awarded a pension, his subsequent identification may depend on the correctness of these entries. The "rank," "station," and "date" following the soldier's signature are to be in his own handwriting.

This Army Form is to be forwarded with the proceedings of the Medical Board to the Officer i/c Records, and Parts B. and C. completed by that officer before forwarding the Form with the remainder of the soldier's documents, to the Controller, Ministry of Pensions, Burton Court, King's Road, London, S.W. 3.
