The Deputy Paymaster writes

n 10/1/17:-

(1) "Cancellation of this allotment requesting stoppage from December 1st, 1916, only came to hand yesterday - too late to be effective for the month of December, and can only be acted on as from January 1st, 1917.

(2) I would suggest that, if the matter is urgent, which I have reason to believe it is, Pte. Hurley be advised to direct the Bank of Nova Scotia to pay over to his mother, the full amount of the allotment for the month of December."

Kindly make necessary adjustment in his A. B. 64, and advise as to this soldier's wishes with regard to para. 2, please.

The Deputy Paymaster writes

10/1/17:-

(1) "Cancellation of this allotment

"yesterday - too late to be effective
"for the month of December, and

"Bank of Nova Scotia to pay over
"to his mother, the full amount of
"the allotment for the month of

Kindly make necessary adjustment in his A. B. 64, and advise as to this soldier's wishes with regard to para. 2, please.

The mother of the above mentioned soldier has stated that No. 2177 Pte. Ed. It is thought that if such were the case, it would have been forwarded and received in this country before this date. However, I shall be glad if you will enquire at the Hospital in which Hurley died, and see if any trace can be found of these articles.

Sir, 2982 Pte. R.J. Hurley, deceased.

An enquiry has been made by the Mother of the above-named Soldier of The Royal Newfoundland Regt. who died at your Hospital on 9/5/19, for particulars as to his death.

Will you be good enough to state if it is known whether Pte. Hurley made any requests before his death or any statement which would be of interest to his next-of-kin? Perhaps one of the nurses at your Hospital or some person who was present at his death may be able to give some message which would comfort a Mother who lost her only son.

Dear Mrs. Greene:

I beg to inform you that in answer to our enquiries to the Record Office, London, re a parcel containing a watch and ring, the property of your deceased son No. 2982 Pte. R.J. Hurley, we are now in receipt of a reply in which it is stated that no trace of such articles can be found. The Chief Staff Officer, London, took the matter up with the 3rd London General Hospital, and their reply was that all the effects of the late Pte. Hurley were contained in the cotton bag which they forwarded to the Record Office. They state further, that he was not known to have these articles in his possession whilst in Hospital. The matter has been fully investigated, and it would appear that Pte. Doyle was mistaken in the information that he gave you re those two articles.

Yours faithfully,

- (i) One copy direct to the War Office, **FINSBURY COURT, FINSBURY PAVEMENT, E.C.2.**
- (ii) The other direct to the O. I/c of Records of the Colonial Contingent concerned.

* The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases :

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.
- (b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

Admissions to the outlying sections of the hospital should be shown separately. If the distance of these sections should render it impossible to forward the rolls the day after the admissions, the sections should be instructed to send lists (on these Army Forms) direct to the War Office, and to the Colonial Contingent Record Office concerned.

Dear Sir,

We are in receipt of your letter of the 20th ult. respecting Pte. R.J. Hurley 2982 1st Newfoundland, but regret that we cannot at present give you his actual address; he is simply registered as a Prisoner on our official lists, but we shall let you know as soon as we can where he is.

Herewith, we are forwarding a 'slip' concerning 'Limburg' which gives some explanation as to the nature of the camp and as to why there is probably lack of news from Pte. Hurley.

It is not likely that any will be forthcoming until after his transference to a camp in Germany.

We are,

Sir,

Dear Mr. Conroy:-

Referring to your letter of the 2nd inst., regarding Mrs. Hurley, who is a particular chum of yours, and is also one of mine; I beg to state that we are starting in to-night to deal with all cases of Separation Allowance, and from my personal knowledge of this particular case, I think that I am quite safe in saying that it will go through all right, and that I may be in a position to send her a cheque within the next week or ten days.

Yours faithfully,

Captain,

Capt. J. M. Howley,
Militia Department,
City.

My dear Jim:-

My particular chum, Mrs. Hurley, of 10 Murphy Square, seems to be afraid that she is not going to get the arrears of her separation allowance, for which I made out her application, owing to the length of time which has elapsed since the application went in. If you could let me know if there is not likely to be any hitch about it, it will relieve her mind when she next comes in, and also relieve me from too much of her conversation.

Yours sincerely,

C. J. Curry

Dear Sir:-

Will you kindly furnish me with a Certificate showing the dates of Marriages of Thomas Hurley and Michael Hurley, sons of Mrs. Catherine Hurley of No. 10 Murphy's Square.

As I expect to have quite a number of requests of similar nature, I shall be obliged if you will furnish statement of charges for same monthly. These are required in connection with applications for retroactive Separation Allowance, and I shall be much obliged for your usual prompt attention.

Yours truly
