Dear Sir,

I reply to your letter of the 19th inst. I beg to state that my son John was not married before Jan'y 6th 1920 as stated on his Marriage certificate, but when I made application for Separation allowance in October 1919.

I understood that John was married, he told me so, of course I took it for granted. Hence the reason why I stated he was married when I made application for Separation allowance. I know for a fact now that he had rented a house on Cabot Street and furnished same, and was during the time previous to his marriage in Jan'y 1920 boarding with his wife's mother. I was entirely under a false apprehension when I first made application, this I regret very much. Trusting that the statements I have made here, which are facts, will clear the misunderstanding, and that the certificate that I furnished will be satisfactory.

Yours Truly,

(Mrs) Annie Hassel

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
