Sir: No. 820, Ex-Sergt. R.E. Innes

I have the honour by direction to refer to your communication of April 5th re the above mentioned H.C.O.

I herewith enclose cheque for \$24.57, being refund of amount paid by the Chief Paymaster for a special pair of boots for ex-Sergt. Innes.

Kindly acknowledge receipt of this amount

Dear Sir,

Ex 820 Sergt. R.E. Innes.

With reference to your letter 26/2/19 (1717), and to your letter of 7/2/19 (123) which has been handed to me to-day: it is regretted that you cannot be employed as Conducting N.C.O. for an out-going draft, as there are a number of N.C.Os. waiting to be repatriated. Should, however, you desire your name to be put on a nominal roll of a Newfoundland draft, it can be arranged through this Office, provided you travel in uniform and at your own expense. Kindly advise by return. There will probably be an opportunity on or about the 8th of March, and you can pay the necessary fare to this Office.

Yours faithfully,

Capt.,

Dear Sir,

Being desirous of returning
to Newfoundland at an early date
would you favour me by arranging
a passage.

I was unfortunately called back
to Scotland last November on the death
of my mother and have now settled
up all the affairs.

Col. Rendell arranged for my passage
across and suggested that for my
return passage I should write you about
a passage as conducting - Sgt.

I should be pleased to act as
such if possible to arrange, as I
still have possession of my uniform.
if not could you procure for me a
cheap Government first class passage.

Sir,

I wrote you 2 weeks ago. to find whether you could help me to return to Newfoundland as soon as possible, but I have not received an answer and fear my letter has gone astray. Will you let me know by return whether you received my letter and any particulars you may have regarding sailings. I would very much like to return not later than 1st April.

I would consider it a great favour if I can have an answer by return as it will necessary mean a long and weary wait if I have to make my own arrangements.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

21. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war ;
- (ii.) Climate ;
- (iii.) Ordinary military service ;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

not applicable

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?
