I am of opinion that this soldier has
trachoma. Confirming that view, he
was five years ago while in civil life
refused admission into the United States
on account of trachoma. The
condition is not acute and the corneae
are comparatively unaffected.

The condition may have passed the
infective stage but all the same I am
of opinion that it is safer to send him
before a board with a view to discharge

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalidated, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 1162 and 1165, Pay Warrant, 1918.)

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

no

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

(a) Intemperance?

no

(b) Misconduct?

(c) Any of the conditions mentioned in question 20, and if so, which?

22. Is the disability permanent?

yes

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

nil

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, or total incapacity.

24A. Is the man suffering from a disability which would *obviously*, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

25. If an operation was advised and declined, was the refusal unreasonable?

26. Do the Board recommend

(a) Discharge as permanently unfit, or

yes

(b) Change to England?

Sir,

Re. Sean Jacobs, #34508

This man is still here wandering around and considers himself one of the Royal Newfoundland Regiment. He now comes for over a month's board and declares that he is here under orders and is not at liberty to go elsewhere.

Will you kindly state what is to be done with him? In my opinion he is useless as a soldier and I think it would be well to discharge him and let him shift for himself.

Sean Jacobs has worn out his uniform and is now in mufti.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

I am of the opinion that this soldier has Trachoma. Confirming that view, he was five years ago while in civil life refused admission into the United States on account of Trachoma. The condition is not acute and the corneae are comparatively unaffected. The condition may have passed infective stage but all the same I am of opinion that it is safer to send him before a board with a view to discharge

Dear Sir:-

Reference your letter of 20th April
relative to War Service Gratuity and British War Medal.

I understand that you claim War Service in
March last year which claim, having been considered, was not
granted as your case did not come under the regulations govern-
ing the payment of this gratuity, it being that your period
of service was less than twelve months, and you were not on
the strength on the 11th November, 1918. War Service Gratuity,
therefore, was not paid to you.

With reference to the British War Medal, I
might state that on 11th Nov. last year we forwarded your issue
of this Riband to Mount Lebaban, Syria with receipt attached.
It is presumed that this has not reached you, and I am attaching
another two inches hereto together with receipt which I should
be glad if you will sign and return, please

Yours faithfully, Lieut.-Col.,
CHIEF STAFF OFFICER
