Dear Sir:- 1437 Sergt. F. Jerrett

Our records do not show the grave location of the above mentioned soldier. I have been informed by Mrs. Jerrett that she has been advised by an Australian soldier who found his body and returned his disc to her, that he was buried and a cross erected at a point about 500 yards East of Genia Court Wood and about 20 yards beyond Hill Trench. If you have no record of this burial, I should be glad if you will endeavour to verify and inform me as soon as possible.

I am repeatedly receiving applications concerning graves locations, and trust that you will keep me informed all the time of any bodies that are found that have not been registered.

Yours faithfully

Lieut.-Col.,

Chief Staff Officer

Dear Sir:-

With reference to your enquiries relative to the location of the Grave of No. 1437 Sgt. Frank Jerrett, and concerning which I have made enquiries of the Director of Graves Registration and Enquiries, I beg to state that I am now in receipt of communication from Major T. Hangle, which advises that the Guendecourt Area has now been closed and no trace of the above soldier has been found. The only possible chance which remains is that when the farmers return to till the soil the body may be then found, but as his disc was removed, I am afraid that the chances of identifying his body would be very small. However, I shall be very glad to convey to you any chance information that may be received.

Yours faithfully,

Dear Sir,

It was with the greatest regret that the Government received a message from the Record Office, London, intimating that your son, Sergeant Frank Jerrett, was reported by the Australian Unit as killed in action on the 12th October last.

Permit me on behalf of the Government, as well as for myself, to express sincerest sympathy to you in your time of sorrow. But though we feel the parting and though the heart is heavy with its loss, yet it is a glorious thing to think that your gallant boy early responded to the call of duty and made his stand for the establishment of Righteousness, Truth and Liberty upon the earth. We are all proud of our brave and noble boys but no less do we esteem the unselfish fathers and mothers who so willingly gave their boys when the call of duty came. Though your boy has laid down his earthly weapons he wears the soldier's Crown of Victory and his name is inscribed upon the glorious Roll of Honour and will be held in fragrant memory by all his fellowcountrymen. When the end of this war comes and an honourable and abiding peace will have been established, it will be your proud thought that your dear boy did to the utmost of his ability to bring about such result.

I trust that the Great Father of us all may give you of his love and comfort at this time.

Believe me to be,

Yours sympathetically,

Colonial Secretary.

1) No evidence to prove that either 1714 & 1457 are ~~being~~ dead or alive. ~~Inquiries are being pursued~~. ~~Maybe~~ deserters or prisoners. Inquiries are being pursued.

2) On no account should those be reported missing be presumed dead until six months at least have elapsed after they have been posted as missing.

3) There are not likely to have been any prisoners taken on 12/10/16 but we would like a fair chance to find out.

Madam,

No. 1437, Sgt. F. Jerrett, deceased.

With reference to your letter 16/1/17 (733), beyond the bare facts as reflected in copies of telegrams etc. attached, nothing is known here.

As will be seen the case was rather an unusual one and various enquiries were made before authentic information could be obtained.

With regard to letters and parcels: since the casualty was verified, all of the former received at this office, either direct or returned from the Field, have been forwarded to the Army Post Office for return to senders as customary, and the latter to the G.P.O., Newfoundland, in accordance with instructions from H.Q., St. John's, applying generally in such cases.

It is very much regretted that further information cannot be given, but should an opportunity arise of gleaning anything from those who took part in the action, it will be communicated to you.

Hugh Anderson Esq
Dear Sir

You will be a bit surprised on receiving a letter from me who is quite a stranger to you when I tell you what I want & hope you will pardon me. No doubt - by this time my son 1437 Sergt Frank Schutt whose death - was reported to us as having been killed in action on Oct 12th - which was the first news we had received from him after Sept⁶ only through a private person at Ayr who said there had some doubt about as to where he was then I started to make enquiries through the Colonel Secy, he could not find out any thing about him then I went to the Town he lived for me & on New Years day he sent me an answer he had received which said he had not drawn pay since Oct 6th was not in hospital. had not rejoined Unit & had not reported to the 3 Echelon & they then only after 3 months reported

that is the reason I am writing you
feeling sure if you can do anything
for me you will I should like to have
whatever private papers had been taken
from him. I had sent the dear King
6 boxes & parcels from Oct 1st up to Dec
so should there be any still at the Office
please dont return them but send
them to some other boy. but I would
like to get the King or any other private
paper which might have belonged to
my King. The day after the Anstraham
letter arrived the Post-master received
a ring which had been picked up
in Sydney Office with a Monogram but
I cannot say if it is Frank's as he must
have bought it after he went to England
of course if I can hear from S.W. Sparks
or Mrs Cook a Lady friend of my boy of
Ayr Scotland they will be able to identify
the King

I hope you will forgive & pardon the
great liberty I have taken in writing
you but if you could give me any information
I would be so thankful to you

Yrs truly

Mrs. F. G. Jerrett,
21, Prescott Street,
St. John's, Newfoundland.

Madam,

1437 the late Sergt. Frank Jerrett.

I have received your letter of the 14th February with reference to your son. The matter of the delay in reporting Sergeant Jerrett's death has been fully dealt with by Major Timewell and you will doubtless have received his letter of the 23/2/17 before this. As soon as this office got word that there was doubt about the safety of your son it at once put enquiries on foot, and the delay was undoubtedly caused by the Authorities at the front failing to report that, in the first place, Sergeant Jerrett was missing. At the time in question there was considerable activity in France and it was an error which frequently happens on such occasions.

The only personal effects belonging to your son which are registered at this office are 1 disc and certain photographs, which were forwarded to Newfoundland to the Minister of Justice on the 26/2/17. I regret to say there is no trace of the ring you mentioned. It apparently did not come through this office.

Regarding the parcels addressed to Sergt. Jerrett I find that four were returned to the General Post Office St. John's, as customary in the case of deceased soldiers, before the arrival of your letter. Should any other parcels come they will be dealt with according to your instructions.

I am
Madam

Office of the Archivist for Militia "records

December 7th.1926

The Honourable,

The Colonial Secretary

Sir:-

In the records of the Militia Department, there appears a balance of \$27.08 (thirty seven dollars and eight cents), due to the estate of the late Frank Jerrett, No.1437, Royal Mfld.Regiment.

Payment of this amount was not made by the Militia Department, because of absence of claim and non-presentation of Letters of Administration.

At the present time, there is no fund at the disposal of the Archivist, other than the appropriation administered by your Department.

I am writing, therefore, to ask if payment of the above mentioned sum can be made by you and charged to the vote for Militia purposes.

I have the honour to be,

Sir,

Your obedient servant,

Archivist. .
