Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the Office Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

The above mentioned, whose discharge has been approved from July 16th, appears on the "Cassandra" pay books as having received all pay and allowances up to and including July 15th. I understand from CQMS. Hopkins, who is responsible for the 'Cassandra' Pay Books, that this man was discharged in London, but he did not appear on the nominal roll as an ex-Private. Hopkins states that he has been paid his clothing, subsistence and all pay up to the date mentioned, July 15th. It appears to me, however, that he is still entitled to his 14 days pay subsequent to the date of his approval, viz. July 16th.

Under the circumstances will you please take over his account, which stands as follows:

My dear Whitaker,-

In the Draft which was despatched on the 12th inst., there are returning several men who had been previously overseas and returned to Headquarters. Notably Kear, Scott and Ivany. It was a matter of some comment here when these men were returned, as there was nothing in the condition of their health that would seem to require repatriation, and they were not of the stamp of men whom it was considered that an officer would return for home defence work, their conduct sheets being anything but satisfactory. Under ordinary circumstances it might be considered good policy to discharge such men, but as they are physically fit, it would be nothing short of a crime to allow such men to get their discharge because of their own misconduct and general bad character. Their place is in the first line, and if they cannot conduct themselves properly they should be dealt with in accordance with regulations. The Minister of Militia has been none too well pleased at these men having been returned together with one or two others who have evaded the draft and I would suggest that there is nothing to be gained by your returning this type of man to Newfoundland unless he is considered permanently unfit for General Service.

Dear Colonel,

I interviewed, on behalf of the Governor, No. 2659, Private Kine and No. 8004, Private K. Squires. These men state that they are still due war gratuity and, as they wish to leave the country, would like a final settlement. Whilst naturally not wishing in any way to interfere it would seem desirable to meet their wishes if it can be arranged.

Yours faithfully,

G.S.W. Report
G.S.W. (S.I.) L-14

Will you kindly let me have a report upon the following facts:-

*Drunk
Escaping custody*

Michael Keane, of Quidi Vidi Road, was sentenced by Judge Morris to twelve months in the Penitentiary on October 14th last for attempted larceny. His father now wishes to have him released, in order that he may assist him in the support of his family. He urges in support of his petition that his son who enlisted in the Newfoundland Regiment in 1916, when only fifteen years of age, served at the Front, was wounded, invalided home, recovered from his wound, served a second time in France, and was again wounded.
