Notification of the fact of your being a Prisoner of War has been received, and which has been duly telegraphed to Newfoundland.

The Newfoundland War Contingent Association have also been notified by this Office, and will communicate with you direct with regard to any arrangements of which are undertaken by them.

So far a direct notification from you has not been received, as in the case of other Prisoners of War, and which usually includes a request for clothing, with particulars of sizes, etc., especially as to boots: meanwhile with a view to avoiding what may entail considerable delay in your receiving supplies, this Office is drawing and transmitting to you through the Central Prisoners of War Committee, a first issue of clothing, based upon sizes implied by information stated in your attestation.

Any change of your address should be notified to this Office, which in turn will be transmitted to Newfoundland, and to the Newfoundland War Contingent Association.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. & C. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
