Sir -

after being discharged from the Regiment in August I was paid off with a sum far short of the amount due. I have been leaving no allotment since Nov. 1918, and as the amount short is about equal to what my allotment would be from November to the time I was discharged it seems

2

as if that is where the mistake was made.

I have written you twice before asking for a statement of my account but so far have received no answer. Will you kindly answer this.

Although it is

received \$20 of regimental

let me know when I can
get the remainder?
As I cannot leave the

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.
