- (a) Injury in action, G.S.C.
- (b) Caused by injury in active service

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

Auto wd in leg is healed & very intractable.

This man ~~is~~ is undoubtedly a bit "queer" mentally. very inefficient to manage always smiling in a silly vacant sort of way. It is likely that a return to his own native country will accelerate the healing

- (b) On field service?
- (c) On duty?
- (d) Off duty?

@ yes

15. Was a Court of Inquiry held on the injury?

Opinion of the Medical Board.

NOTES.—(i) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalidated, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii) Expressions such as "may," "might," "probably," &c. should be avoided.

(iii) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1912.)

(iv) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

The result of (i) active service

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

(a) Intemperance?

(b) Misconduct?

no

(c) Any of the conditions mentioned in question 20, and if so, which?

no

22. Is the disability permanent?

no

23. If not permanent, what is its probable minimum duration?

Six months

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

one quarter ($\frac{1}{4}$)

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{2}{3}$, or total incapacity.

24a. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

no

25. If an operation was advised and declined, was the refusal unreasonable?

no further operation required

26. Do the Board recommend

(a) Discharge as permanently unfit, or

(b) Change to England?

I beg to report that Pte. Kenny No. 1178 Newfoundland War Contingent shows symptoms of mental aberration. I have been obliged to place him in the Observation Ward, as, when allowed out on pass, he has managed to get alcoholic liquor of some sort, and under its influence he becomes very violent, and uses obscene language. I can transfer him to Napsbury.
