Dear Andersen

Miss King is in great
distress as she can get no one
to sign this passport at (4).

I don't happen to be
any of the functionaries
mentioned except that I'm
a member of the Middle Temple

Just missed being called
to the Bar in '14 but will
my leave do?

If so, will you push
this through for her to let her
go by this boat this week -
If it won't do - send it back
some day before I die
her again. They are
both anxious to travel

to, the and he is for
discharge. So perhaps

You can manage it.

How are things?

Dear Sir:

I beg to certify that Abram King of Sandy Cove,
Bonavista Bay, whose Mother, I understand, has made application
for separation allowance, has been, physically and mentally,
an helpless imbecile since his childhood. His condition is,
and has been, such as to render him utterly unable to do any
manner of work during his life time.

He was a charge and dependent upon his Mother while
her sons, Thomas and John, were serving in the
Royal Newfoundland Regiment and in the Forestry Battalion
respectively.

He is at present an inmate of the Poor Asylum, this City.

Yours truly,

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
