Dear Sir,-

Re the marginally noted man. His father interviewed us and stated that his son had been ill since Christmas and that he was practically the sole support of the family and was suffering as a consequence.

The father is 66 years old and is unable to do any manual work. If it would be possible, I think a small temporary grant would be very acceptable to this man.

Encl.

I am attaching herewith doctor's certificate. This, however, does not definitely state how long the man has been ill.

I am,
Yours very truly,
