Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Medical Report on an Invalid.

NOTES:—

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.
- (c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.

- (e) Avoid dubiety—"perhaps" "possibly" "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

From:- Paymaster

To:- Minister of Militia.

Sir:-

re. Pratt, Bixby, Kirby & Wyatt - Clothing Allowance

I have the honour to report as follows:-

At the date of discharge of these men, the Demobilisation orders not having been gasetted, I proceeded to deal with them in the ordinary manner, paying them as undernoted.

	522 Pratt	242 Kirby	241 Bixby	286 Wyatt
Bonus	44.90	14.90	14.90	14.90
Clothing	35.00	35.00	35.00	35.00

Each man received his cheque for \$493.90.

Demobilization orders were posted next day, and about a week or ten days afterwards I received instructions from you to deal with these men under those orders. Accordingly I issued cheques to each for \$10.10, making in all \$6000.

In explanation of this payment I beg to report that the Regulations governing Post Discharge Pay, superceded the issue of bonus - the equivalent of one weeks full pay and allowances - and in consultation with Lt. Col. Rendell, the decision was reached that the post discharge pay should include the bonus already paid, as otherwise men being discharged under the new regulations would receive in all, that much less than men who had already been discharged. In consequence of this decision the bonuses allowed these men were considered as payments on account of their clothing allowances, and post discharge pay paid in full. This course may be the cause of some misunderstanding on their part in regard to the clothing allowance, but as they received the full amount of their post discharge pay, it works out the same in the end.

Respectfully submitted
