Dear Hughie:

Pardon my intrusion but there are several inquiries I should like to make of you. I have not worried about my ket since I left France and I never made any inquiries concerning it. I wonder if it has turned up yet, and if so how I could get it along here.

Also I left at the Cary office last December an ordinary valise containing amongst other things my only presentable tunic. As I cannot dress without it, Pruevy, how to get it?

I am coming along splendidly, as these few indications tell. I am beginning to walk again and the time approaches when I shall be dressing up, and be once more at the disposal of the Fates.

My troubles are told so I shall
not disturb a busy man any
farther.

In hopes of a satisfactory reply
and wishing you all good cheer.

Dear Harold,

Major Parsons has returned to Newfoundland via Canada, and before leaving he asked me to drop you a line to say that he was sorry he could not arrange for your transfer to Newfoundland before he went, but the matter had been put into the hands of Capt. Knight.

As we have heard nothing further in this office, I take it that you have given up the idea.

I hope you are making rapid strides towards complete recovery.

With kind regards,
Yours sincerely,

INSTRUCTIONS TO BE OBSERVED BY THE MEDICAL BOARD PREPARING THE REPORT.

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.

2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though only "severe" or "slight" in themselves, they represent together the equivalent of a single "very severe" injury, such an opinion may be expressed in the columns provided for that purpose.

3. The board will not express any opinion, either to the Officer examined, or in their report, as to whether he is entitled to compensation, or as to the amount of it, nor will it inform the Officer how the wound or injury has been classified.

4. If an Officer makes any enquiry as to wound gratuity he should be told by the board that he should make application in writing to the Secretary of the War Office.
