Mrs, Martin Lacey,

Dear Madam:-

#2344 Pte. G.B.Lacey.

The Military Medal so gallantly won by the above named soldier has now come to hand and I shall be glad to know your wishes with regard to having this medal presented. If you would like this medal sent to you by registered post, your wishes will be complied with, but I should prefer to have the medal presented publicly by His Excellency the Governor, before the troops on parade. If you will agree to that arrangement, I shall be glad to hear from you at an early date, and I can then let you know the place and date on which the presentation will take place. There will be one or two other medals presented at the same time.

I have great pleasure in quoting the extract of the deed for which the medal was awarded.

"In the attack on the enemy trenches near Langemarck on 16th August 1917 when his company was held up in front of a road by rifle fire, this man with two others went out on their own initiative crossing from shell hole to shell hole and finally getting in rear of the road, bombed small dug-outs containing two and three men each. They killed about nineteen of the enemy and signalled to their company to advance on completion of this act."

I have the honour to be,

Madam,

Your obedient servant,

Acting Minister of Militia.
