NOTES:—

- This report is solely concerned with Pensions.
- A single copy only is required.
- "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- Be as brief as possible compatible with lucidity.
- Avoid dubiety—"perhaps" "possibly" "might" and the like.
- Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.
