The records show that No 1124 Pte J. Lannigan, Newfoundland Regt was evacuated to the Base, by No 24 Ambulance Train, on 12/17/16. He would have been admitted here on the 23rd when ex No: 4. C. C. S. Nothing would have been taken from him at this hospital. As far as I am aware all personal effects, provided such were in his possession on arrival here, would have accompanied him to the Base.
