Sir:-

As I was requested, I presented myself before Dr. A. McDonald of Grand Bank for re-examination about the middle of August. I have not as yet heard the result of that Board.

My condition has improved very little since I was discharged; in fact, my arm seems to be gradually declining as the cold weather comes on again.

I received my last monthly pension in July. I would like to hear the result of that board and why my pension is stopped.

Hoping to get a favourable reply, I remain,

Yours obedient servant,

(Sgd) STEPHEN LAWRENCE.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. He will also carefully distinguish cases entirely due to venereal disease.

13. What is his present condition ?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

* Loss of teeth on, or immediately after, active service, should be attributed to that service, unless there is evidence that it is due to some other cause.

† Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 1162 and 1165, Pay Warrant, 1918).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Active service

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

lg. S. W

21. Has the disability been aggravated by

(a) Intemperance ?

No

(b) Misconduct ?

No

(c) Any of the conditions mentioned in question 20, and if so, which ?

✓

No

22. Is the disability permanent ?

23. If not permanent, what is its probable minimum duration ?

To be stated in months.

Six months

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present ?

Total at present

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$, or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act ?

No

25. If an operation was advised and declined, was the refusal unreasonable ?

✓

26. Do the Board recommend

(a) Discharge as permanently unfit, or

(b) Change to England ?

Yes.

NOTE—This Army Form will be given to all patients in Hospital to complete who are suffering from a disability sufficiently serious to make discharge probable. In the event of the man being brought before a Medical Board for discharge, this Army Form will be produced to the Board, together with other documents laid down in para. 4 (ii), item 8, of Army Council Instruction No. of 1916.

When the soldier who is to be brought before a Medical Board is not a patient in Hospital, and in substitution cases, these instructions will be carried out by the man's C.O.

Descriptive Return of a Soldier discharged on account of Disability.

INSTRUCTIONS.—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital.

Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
