Sir:

Re #2691 Marcus Legge

I understand that the amount due this estate from your Office is \$272.77, and Augmentation Pay \$79.60. I am in receipt of a letter written by the Sister in charge Ward 2, Magdalen Camp Hospital, Winchester, to the sister of the above named soldier, and from it I quote the following:

"His few belongings I handed into the Stores here. They will I presume be forwarded to you in due course - They consisted of a purse containing £2-14-6½, and a few stamps, a fountain pen, a cigarette case, and a pocket knife. Besides that he handed into the Stores sometime ago £25."

His father states that he received the purse, knife and pen, but did not receive any money.

Have the amounts above mentioned been received by your Office? If so, do they form part of the \$272.77 stated on your records? Please give this matter your prompt attention.

I have the honour to be,  
Sir,  
Your obedient servant,

Major J.M. Howley,
