5734. Col. H. Lehr and Lieut. Gear

These men both graduated together this spring from Baltimore College of Dental Surgery. Lehr went to the United States to take some further examinations; Gear went to Canada and enlisted. Gear came back here as a private on home leave. While here he applied for transfer to Newfoundland, with a Commission. As the need for Dental work was very great his request was granted and he has been duly transferred.

Shortly after our request had gone forward to the Canadian Authorities for ^{Lehr's} ~~this~~ transfer, and permission been granted by them Lehr showed up and enlisted in our own forces. The Depot ^{at Winchester} was communicated with but did not seem to want a dentist. Gear is now here and I am having him make a survey of the condition of the men's teeth at the Depot. From what I can gather thus far there will be ample work for two dentists over a considerable period, but feel that it would be better to defer further action for a few days pending completion of Gear's report.

In the meantime, I have had ⁴ Cpl. Lehr attached to the Medical Department at the Depot, where he is doing good service.

Sir:-

I hereby beg to make application, through you, for a commission as a dentist in the Royal Newfoundland Regiment.

I am a graduate of the 'Baltimore College of Dental Surgery', having received the degree of 'Doctor of Dental Surgery'. I am a registered dentist in the Dominion of Newfoundland and in the State of Maryland, U. S. A., having passed the examinations and fulfilled all the requirements necessary to entitle me to the privilege of practicing in either of these places.

I came back to Newfoundland, upon the completion of my course in dentistry, and enlisted here in preference to joining either the Canadian or United States Dental Corps, and I now make this application as I

believe I would be of more service to the 'Royal
Newfoundland Regiment' as a dentist than in any
other capacity.

Respectfully yours,

H. H. H. H.

The marginally noted man is a graduate Dentist
As we have a great deal of dental work to be done at
present I recommend that he be detailed for this work.
He will, of course, need to be given a Commission if
he is to do operative work but this will not ^{come up} be until
later.

Dr. Howlett who was doing some of this work free,
that is, "any man who was being turned down on account
of teeth, ^{he offered to put} into such condition that we could accept him"
has been out of town for some time. The Department of
Militia has of course been buying the materials used for
this purpose.

It is quite possible if Dr. Harry Lehr is detailed
for this work that he might operate in his father's,
Dr. A. B. Lehr, dental parlors, but this matter would
have to be approached later.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification, depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
