Dear Sir:

I am writing to know
if there is a vacancy in your
office.

I am on the second
day of my furlough, having
been in hospital, since July

2

1st, 1916.

I worked for one year with Morison & Hunt, in the Bank of Montreal Bldg. and later I went to Baine Johnston & Coy's office, as there was more chance of a rise. I worked there till I enlisted.

I can typewrite, and have a fairly good education.

Hoping you will consider it
I remain,
yours faithfully

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability. 15th July 1916.10. Place of origin of disability. Beaumont Hamel

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war ; *Yes*
- (ii.) Climate ; *No*
- (iii.) Ordinary military service ; *No*
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c. ; or *No*
- (v.) Whether it is constitutional or hereditary. *No*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *G. SW in action.*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which? *✓*

23. Is the disability permanent? *Yes*

24. If not permanent, how soon do the Board recommend re-examination? *✓*

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present? *50% for 3 months.*

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable? *✓*

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or *Discharge as permanently unfit.*
- (b) Change to England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

} No

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended? *No*

Descriptive Return of a Soldier discharged on account of Disability.

INSTRUCTIONS.—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital.
 Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his own signature to this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.
 The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/o Records when referred by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Hon R. A. Squires

Dear Sir I am going to ask
you a favour which I don't know if its
possible to grant or not my son was
wounded the first of July 1916 severely &
he has been in Royal Victoria hospital
ever since, but he always said on every
letter I would receive from him lately
mother for sure I will be home on
my birthday which is Saturday 25 Aug
& the latest news I hear from him
is that his arm is very shaky & they
expect to have to perform another operation
which will be the third time removing
bone from his arm, I felt so sorry
that I did not know in time to
send him some remembrance of his
birthday & I wonder if its possible
for you just to send a little message
just thus Dear Fred wishing you
many happy returns of the day
sorry you cant be home

Mother

hoping it will be alright

I remain sincerely
Mrs. Clara Lewis Penywel Road
