October 15<sup>th</sup> 1918.

Dear Sir

I now take the opportunity  
 to write to you, to see if you  
 could tell me any news concerning  
1<sup>st</sup> Lieut Archie Lidston number 3872  
2<sup>nd</sup> Royal Newfoundland Regt.  
4 Coy. He went to France  
 between August and September  
 1918, and I had a letter from  
 him about two months ago,  
 and I did not get an answer, to the  
 one I wrote  
 for it was returned and it was  
 written on the envelope that he  
 was wounded, and present.

location uncertain. So if you could please send me the address of the hospital he is in I would be very much obliged to you. He had his draft leave and he spent it in Ayr, but before that he was stationed in Winchester in England.

I think this is all the information I can give you, but if you have his address will you kindly send it on to me, for it is very strange he has not wrote sooner,

And oblige

yours sincerely

Miss Nan Scott

OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

(a) Any disability claimed or discovered.

(b) The present condition thereof.

*G.I.V. hand left.  
Scar (adherent) over lower 1/2 ulna  
with nerve involvement (ulnar)*

22. State whether the disabilities are:—

(a) Attributable to

(b) Aggravated by

- (i) Service during the present war
- (ii) Previous active service
- (iii) Climate in pre-war service
- (iv) Ordinary military service before the war
- (v) Serious negligence or misconduct on the part of the soldier

Give details:

- 22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

(a) How long is the present degree of disability likely to last?

(b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures).
- (b) In case of aggravation or where there is any evidence that there was a disability on entry, what in your opinion was the degree of disablement which existed at the time of joining the Army?

*40% Civ. months

25. If an operation was advised and declined, was the refusal unreasonable?

If the Military Member is in disagreement with the Civilian Members, he is to state his opinion in the space provided.

26. (a) Do the Board recommend discharge as physically unfit for further War Service, i.e., do they place him in Grade IV. only?

*Yes*

28. Is treatment being recommended on Army Form B. 179c?

29. Does the soldier require:—

- (a) An attendant for his journey home?
- (b) Transport from railway station to his home?
- (c) The constant attendance of another person in his own home?

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. & C. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
