NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Opinion of the Medical Board.

**Notes.**—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 1162 and 1165. Pay Warrant, 1913).
- (iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

*Due to active service  
Strain of service at the front  
& shell shock*

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

- (a) Intemperance? *no*
- (b) Misconduct? *no*
- (c) Any of the conditions mentioned in Question 20, and if so which? *—*

22. Is the disability permanent?

*no*

23. If not permanent, what is its probable minimum duration?

*Six months.*

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

*30%*

In defining the extent of his inability to earn a livelihood, estimate it at  $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{4}$ , or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

*no*

25. If an operation was advised and declined, was the refusal unreasonable?

*—*

26. Do the Board recommend

- (a) Discharge as permanently unfit.
- or
- (b) ~~Change to England?~~

*for military service - yes.

CLOTHING AND NECESSARIES.

With reference to your letter, undated:  
It would appear unnecessary to apply to the Quartermaster,  
2/1st. Newfoundland Regiment, nor to send you the articles  
indented for in this office, as your kit should be com-  
pleted to scale by your Company Commander. There should  
be no difficulty in this matter, as it appears that no  
issues were made since you were discharged from Hospital.  
It is not known here whether you received any issues  
from Hospital, and therefore transfer Clothing Statement  
cannot be rendered in accordance with A. C. I. 503 of  
1916.

A. C. I. 1656 of 1916, provides for free issue  
of Clothing to Newfoundland Soldiers in accordance with  
Imperial scale, and this may be referred to when applying  
to your Company Commander for any deficiencies.

Warrant sent 6/8/17  
Goring Rd  
Eastbourne  
5/8/17

My dear Hugh.

A hurried line to find out if I am entitled to a free warrant from Eastbourne to London. I am leaving here on Tuesday evening & want to get the above information in the morning. Whether I travel free or half fare would, you please send me the needful? Sorry to be such a nuisance but cash is so short these days that I must economise. On my return I found an order for £38 awaiting me - gratuity. It is drawn on Bedford & from the British Pension Office. Rather peculiar but I will get you good advice on Wednesday morning. I am writing Marshall for warrant as well as you as I don't feel certain that you will be on the job on Monday. Hope to get either a free warrant or half fare voucher on Tuesday morning.

Yours in haste

P.S. I got a free warrant from London to E'bone when I came on leave.
