### INSTRUCTIONS TO BE OBSERVED BY THE MEDICAL BOARD PREPARING THE REPORT.

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.
2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though only "severe" or "slight" in themselves, they represent together the equivalent of a single "very severe" injury, such an opinion may be expressed in the columns provided for that purpose.
3. The board will not express any opinion, either to the Officer examined, or in their report, as to whether he is entitled to compensation, or as to the amount of it, nor will it inform the Officer how the wound or injury has been classified.
4. If an Officer makes any enquiry as to wound gratuity he should be told by the board that he should make application in writing to the Secretary of the War Office.

Any further communication on this subject should be addressed to—

Observations on the Account of C.S.M. W.J. Long.

Long was attached to Headquarters from June 30th 1916 inclusive and up to that date he received no payment from me. From that date inclusive to the date of embarkation he was paid in full at Headquarters. (1) He will therefore be entitled to pay from January 12th."</p> <p>Extract of your reply to my No. 2784/13, 29/3/17 @ 7/6/17</p> <p>(2) Date of arrival at St. John's Jan. 13th, 1916.</p> <p>(3) Dates attached to H.Q. officially (Date not stated)</p> <p>(4) Date from which pay was drawn at H.Q. Jan. 13th 1916. as Corporal, As C.S.M. May 9th, 1916.</p> <p>(5) Date on which payment at this end ceased (inclusive) July 20th, 1916.</p> <p><u>Subsistence Allowance (Mess)</u></p> <p>Extract of your reply to No. quoted in (1).</p> <p>(6) . . . and Mess Allowance of 50c. a day from the date of his arrival in St. John's to Jan. 12th inclusive.</p> <p>(7) You can ascertain the date of his arrival from Sergt. Major Long himself.</p> <p>(8) The amount drawn by this man from the office over and above that paid to him while attached to Headquarters is Nil. -----</p>	<p>(1) Long was credited with Pay &amp; Field Allowance to 13/1/16 as per Statement sent to you. He would appear to be due Pay &amp; Field Allowance from 14/1/16 to 29/6/16. See Provisional statement sent to you with my number 2784/13, 29/3/17 Copy attached hereto;</p> <p>(2) Allans state Pretorian left Liverpool 14/1/17 and arrived St. John's N.F. 27/1/16. In any case the date does not agree with (1).</p> <p>Stated in (1) as 30/6/16.</p> <p>This date does not appear to agree with your reply in (1) which states no pay was issued prior to 30/6/16 Neither does this. The same remarks apply.</p> <p>He has been taken on the Depot Pay Book from 21/7/16. This is the only instance where dates agree.</p> <p>Long arrived in St. John's 27/1/16; your statement is inconsistent with (1), (2), &amp; (4).</p> <p>This practice is also not advisable. In any case, Long does not remember the date. The information is however, given in observation (2).</p> <p>In view of the various statements made this is not understood.</p> <p>Be good enough to make up a statement of account on N.F.P.J. shewing balance due to this W.O. at 20/7/17 and state whether credits have been made in your books. In view of the conflicting dates it would appear that a little more care might be exercised in making up such accounts. It is now almost a year since this W.O. left Newfoundland and no adjustment can yet be made in his account owing to discrepancies in dates.</p>

Observations on the Account of C.S.M. W.J. Long.

No.	Description of the Item Objected to	Cause of Objection
	<p><u>P Pay &amp; Field Allowance.</u></p> <p>Extract of your reply to my No. 4170/86, 7/10/16 and 11/11/16.</p> <p>"C.S.M. Long was attached to Headquarters from June 30th 1916 inclusive and up to that date he received no payment from me. From that date inclusive to the date of embarkation he was paid in full at Headquarters. (1) He will therefore be entitled to pay from January 12th."</p> <p>Extract of your reply to my No. 2784/13, 29/3/17 @ 7/6/17</p> <p>(2) Date of arrival at St. John's Jan. 13th, 1916.</p> <p>(3) Dates attached to H.Q. officially (Date not stated)</p> <p>(4) Date from which pay was drawn at H.Q. Jan. 13th 1916. as Corporal, As C.S.M. May 9th, 1916.</p> <p>(5) Date on which payment at this end ceased (inclusive) July 20th, 1916.</p> <p><u>Subsistence Allowance (Mess)</u></p> <p>Extract of your reply to No. quoted in (1).</p> <p>(6) . . . and Mess Allowance of 50c. a day from the date of his arrival in St. John's to Jan. 12th inclusive.</p> <p>(7) You can ascertain the date of his arrival from Sergt. Major Long himself.</p> <p>(8) The amount drawn by this man from the office over and above that paid to him while attached to Headquarters is Nil.</p>	<p>(1) Long was credited with Pay &amp; Field Allowance to 13/1/16 as per Statement sent to you. He would appear to be due Pay &amp; Field Allowance from 14/1/16 to 29/6/16. See Provisional statement sent to you with my number 2784/13, 22/6 Copy attached hereto.</p> <p>(2) Allans state Pretorian left Live pool 14/1/17 and arrive St. John's N. 27/1/16. In any case the date does not agree with (1).</p> <p>Stated in (1) as 30/6/16.</p> <p>This date does not appear to agree with your reply in (1) which states no pay was issued prior to 30/6/16 Neither does this. The same remarks apply.</p> <p>He has been taken on the Depot Pay Book from 21/7/16. This is the only instance where dates agree.</p> <p>Long arrived in St. John's 27/1/16; your statement is inconsistent with (1), (2), &amp; (4).</p> <p>This practice is also not advisable In any case, Long does not remember the date. The information is however, given in observation (2).</p> <p>In view of the various statements made this is not understood.</p> <p>Be good enough to make up a statement of account on N.F.P. showing balance due to this W.O. at 20/7/17 and state whether credits have been made in your books. In view of the conflicting dates it would appear that a little more care might be exercised in making up such accounts. It is now almost a year since this W.O. left Newfoundland and no adjustment can yet be made in his account owing to discrepancies in dates</p>
