Sir,

Re No.278. Pte J. Mac Kay.

1st. Newfoundland Regiment.

The above mentioned man has called to see me regarding his PAY. He was wounded on 1st July, and has been in Hospital since. He is at present in the Infirmary. Bury., and is going to be discharged from Hospital on leave on Monday, August 28th inst. He has only drawn £14 pay since 10th Sept. 1915., part of this £14 being drawn about June 20th 1916.

He has thus quite a large sum of money due him.

My object in writing you on his behalf is that he is practically penniless, and on Monday is going to stay with a Doctor in Bury, who has charitably offered to put him up until his pay arrives.

Under these urgent circumstances, may I ask that you will forward his pay, or part thereof, upon receipt of this letter?.

If you will address the letter to this office, I will see that Mac Kay receives same & forwards receipt immediately.

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
