Dear Sir:

I am directed to acknowledge receipt of your letter of the 20th inst., with reference to the charge of transmission of money to your son, Pte. R.J. Maher.

I may say that it is entirely unnecessary for you to pay such high charges in sending money to him, as you can send any amount through this Department for 50 cts. The \$25.00 you wish to transfer to him, can be sent through us for the sum of 50 cts., if you forward the amount through the Telegraph Office of Post Office.

Yours faithfully,

Dear Sir.

I have been sending
Amounts of money to my son Pte R. J.
Maker since he went across in 1916
and have been paying a pretty neat charge
on the same. But I sent money today
and the charge beats all records. I paid
six (6) dollars for a (25⁰⁰) twenty five dollar
transfer and he told me perhaps it would
cost me more. So I determined to
write and get your advice re same

Medical Officer in charge of case.

OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

- (a) Any disability claimed or discovered.
- (b) The present condition thereof.

22. State whether the disabilities are:—

(a) Attributable to (b) Aggravated by

- (i.) Service during the present war
- (ii.) Previous active service.
- (iii.) Climate in pre-war service
- (iv.) Ordinary military service before the war
- (v.) Serious negligence or misconduct on the part of the soldier
- Give details:

- 22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24c.

* Loss of teeth on or immediately after active service, should be attributed thereto, unless there is evidence that it is due to some other cause

OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

- (a) Any disability claimed or discovered.
- (b) The present condition thereof.

22. State whether the disabilities are:— (a) Attributable to (b) Aggravated by

- (i) Service during the present war
 - (ii.) Previous active service
 - (iii.) Climate in pre-war service
 - (iv.) Ordinary military service before the war
 - (v.) Serious negligence or misconduct on the part of the soldier
- Give details:

- 22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. & C. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
