Sir,

I am directed by His Excellency the Governor to draw your attention to the case of Pte. Mansfield of the Newfoundland Regiment.

Mansfield was duly enlisted but owing to the bad wet weather which occurred during the period of training he caught a severe cold and was sent to Hospital and not discharged until after the sailing of the "Florizel".

He is now quite fit and very anxious to rejoin.

As he has made all arrangements to go to the front and as the delay was in no way his fault but owing to defective tent outfit, His Excellency would like to recommend that he should go with Captain Timewell on the "Mongolian" and rejoin the Contingent in England.

As far as I am aware this is the only case of this sort.

I have the honour to be,

Sir,

Your obedient servant,

Dear Corporal Mansfield,

I have received your note of the 20th inst., having reference to your War Service Gratuity being paid in one sum. As you will see by the Regulations governing these payments, the money is to be paid in thirty or thirty one (30 or 31) day periods. I have, therefore, no authority to pay otherwise. I would like, however, to assist you in every possible way, and if you are getting any work done, you might give an order to the Contractors to have the money paid over to them at the beginning of each month, when it comes due.

If you call down to the office and see Colonel Rendell, he will make the necessary arrangements on these lines.

Sir:-

I beg to acknowledge receipt of your letter of 12th inst. covering letter from Mr. Peter F. Mansfield who is seeking some financial assistance on account of his services in the Regiment, in order to start a business.

In reply I may say that it is regretted that nothing can be done by this Department at the present time.

Yours faithfully,

Minister of Militia.

N.

September 12th., 1919.

Sir,

I beg to forward you herewith a letter I received from Mr. Peter Mansfield, late of the Royal Newfoundland Regiment. You will perceive that Mr. Mansfield is desirous of raising some capital to start a business. I am quite aware that at the present time our Government have not decided as to what the policy will be in this direction, but it must be borne in mind that the Canadian Government are doing quite a lot in this direction by establishing the soldiers on farms, and advancing the necessary money for stock and equipment, giving them a period of time in which they can repay the amount advanced. The question is one, that in my opinion, will have to be taken up and pronounced upon by our Government in the very near future, and I would suggest that your Department would give same serious consideration, so that when the time comes, some special recommendations might be ready in relation thereto.

Yours faithfully,

Hon. A. E. Hickman,

Medical Report on an Invalid.

NOTES:—

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.
- (c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- (d) Be as brief as possible compatible with lucidity.
- (e) Avoid dubiety—"perhaps" "possibly" "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

- (a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties: rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately.
