Sir,

CAPTAIN. F.W. MARSHALL, M.B.E.

I have the honour to recommend for favourable consideration the promotion of the above named Officer, whose ability, industry, and devotion to duty I think is sufficiently known to you, and which I cannot speak too highly of.

As you will be aware he enlisted 1/10/14, given the rank of Sergeant and attached to the Pay & Record Office; later on proceeding with me to this Country and rendering very valuable services throughout. In due course he received a commission as 2/Lieutenant, afterwards being promoted to Lieutenant, then Captain, with the Staff Appointment of Assistant Chief Paymaster, London.

Also, he was mentioned in Home Despatches, subsequently being awarded the M.B.E. Military Division.

As arranged, Captain Marshall is shortly returning to report to you for purposes of completing various accounts etc. which cannot be finally carried out here.

I am, Sir,
Your obedient Servant,

I may add that on repeated occasions Captain Marshall applied for permission to join the Regiment for Active Service in the Field but having regard to his abilities in an administrative capacity he was retained in the Pay & Record Office.

Dear Mr. Squires:- Re. Capt. F.W. Marshall, M.B.E.

Prior to the demobilisation of Lieut.-Col. Timewell, Chief Staff Officer (London) under whom Captain Marshall was working as Paymaster since 1914, Colonel Timewell recommended him strongly for promotion to Major. I was unable to support his recommendation at the time. Captain Marshall is due for demobilisation tomorrow, August 3rd, and I now have the honour to recommend that he be granted the honorary rank of Major on his retirement for recognition of his continued valuable service. Should recognition would not carry with it any increase in pay or allowances.

Yours faithfully,

Lieut.-Col.,

Chief Staff Officer.

Dated 5th July, 1920.

Please return ORIGINAL and retain DUPLICATE

Captain Marshall's work in this office is very nearly completed. His books have been brought up to date, and the only outstanding feature is a difference which a portion of his Staff will clear up during his absence from this country. On his return he will make up the final statement before the auditors come in.

He will have a little work to do in your office in correcting entries which have been made both in your office and in the London Office books. There will also be the clearing of certain charges in connection with the taking over of furniture, etc. by your office and by Major Nangle. He is carrying a memorandum of these sundry points which he will discuss with you on arrival.

As his services will still be required on his return to this country for the purpose of making a final statement for audit purposes, he will be kept on the Strength until that work is completed, but will be granted leave without pay from date of his arrival in London.

His passage to this country, together with that, of course, of his wife and family, will be charged against Newfoundland Funds.

The sundry matters of correspondence which you will receive by this post, together with the outstanding matters which Captain Marshall will discuss, will, I think, pretty well clear up the outstanding work of the London Office. There are, of course,

Obverse duly noted.

Captain Marshall, with his wife and child, has returned per "Sachem" June 17th. Cost of passages has been charged against Newfoundland Government Funds.

Whilst in this country the services of Captain Marshall were availed of to clear up several outstanding matters in this office.

Secretary.

still remaining the matters of Pay & Allowances for men in Hospital, sundry transportations as they arise, matters in connection with forwarding rolls for medals, the despatch of medals, Memorial Plaques, etc. to this country, and other sundries which will continually arise which necessitate correspondence, but pay matters generally would appear to be closed.

As Captain Marshall is being kept on the Strength he will, of course, be available at any time that you may require his service, though in this connection he is only too anxious himself to have all outstanding pay matters cleared up, as he wishes to be demobilized as soon as possible after his return to this country.
