With reference to your telegram 28/12/17: Minutes of correspondence exchanged with Commandant Northern Command Depot, and O. C., 2nd. Bn. Royal Newfoundland Regiment are enclosed together with copy of A. F. B. 252 and telegrams despatched by this office at Martin's request 20/11/17 & 19/12/17..

If you are in possession of the telegram referred to in yours 28/12/17 "stating that amount had not been paid" will you kindly forward it on to this office as it is not thought desirable that the matter should be thus unsatisfactorily concluded.

*[Signature]*  
Major,  
Chief Paymaster & O. i/c Records.

In connection with the correspondence forwarded by you with this letter. I would state that a letter was sent to Miss M. Martin, but for some considerable time no reply was forthcoming. A short time ago she called at this office and stated that she had purposely stated that the original amount (cabled 25/11/17) was not received because of the 2nd telegram dated 19/12/17, sent by Pte. Martin. It was explained to me that the 2nd telegram from Martin was purposely mis-quoted because it was thought that the enquiry forwarded would elicit the fact whether the original amount had been received or not. I am unable to obtain the original telegrams, but when the copies forwarded by you were produced, this explanation, which was rather vague and unsatisfactory, was given.

As stated in the latter, Postal Draft was forwarded to you under cover of my memorandum 12799/37, 26/11/17, which was acknowledged 10/12/17, and signed by Lt. F. Quarton and J. Martin. The Draft has also been returned paid through the G.P.O. stamped Ripon Camp M.O.S.B.10/12/17, and signed J. Martin. If it is proved that Martin wilfully telegraphed this misstatement then he deserves to be punished. This is not Martin's first offence in such matters, and dissatisfaction has been expressed by his relatives, who are inclined to credit his statements.

Kindly advise what action you are taking in the matter.

### Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1163 and 1165, Pay Warrant, 1918).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Active service -

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

G. S.

21. Has the disability been aggravated by

(a) Intemperance?

No

(b) Misconduct?

No

(c) Any of the conditions mentioned in question 20, and if so, which?

22. Is the disability permanent?

Yes.

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

100.

In defining the extent of his inability to earn a livelihood, estimate it at  $\frac{1}{2}$ ,  $\frac{1}{3}$ , or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

25. If an operation was advised and declined, was the refusal unreasonable?

None.

26. Do the Board recommend

(a) Discharge as permanently unfit,

or (b) Change to England?

Yes. The man requires treatment in an O. P. as a hospital.

As stated in the latter, Postal Draft was forwarded to you under cover of my memorandum 12799/35, 26/11/17, which was acknowledged 10/12/17, and signed by Lieut. F. Quarton and J. Martin. The draft has also been returned paid through the G. P. O. stamped "RIPON CAMP M.O.S.B. 10/12/17" and signed J. Martin.

The signatures have been compared with that on his attestation and are exactly similar.

If it is proved that Martin willfully telegraphed this deliberate misstatement, then he deserves to be punished. This is not Martin's first offence in such matters, and dissatisfaction has been experienced by his relatives, who are inclined to credit his statements.

Kindly advise what action you are taking in the matter.

Will you please forward immediately all the Original documents in this case.

3436, PTE. J. MARTIN.

With reference to your telegram 28/12/17: Minutes of correspondence exchanged with Commandant Northern Command Depot, and O. C., 2nd. Bn. Royal Newfoundland Regiment are enclosed together with copy of A. F. B. 252 and telegrams despatched by this office at Martin's request 20/11/17 & 19/12/17.

If you are in possession of the telegram referred to in yours 28/12/17 "stating that amount had not been paid" will you kindly forward it on to this office as it is not thought desirable that the matter should be thus unsatisfactorily concluded.

Major,  
Chief Paymaster & O i/c Records.

In connection with the correspondence forwarded by you with this letter. I would state that a letter was sent to Miss M. Martin but for some considerable time no reply was forthcoming. A short time ago she called at this office and stated that she had purposely stated that the original amount (cabled 25/11/17) was not received because of the 2nd telegram dated 19/12/17, sent by Pte. Martin. It was explained to me that the 2nd telegram from Martin was purposefully mis-quoted because it was thought that the enquiry forwarded would elicit the fact whether the original amount had been received or not. I am unable to obtain the original telegrams, but when the copies forwarded by you were produced, this explanation, which was rather vague and unsatisfactory, was given.
