Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

In reviewing this case, it may be mentioned that although Pte. Matchem may not have made provision for his wife as regards allotment of pay prior to his demobilisation, War Service Gratuity regulations, Paragraph 14, would appear to leave no point of doubt as to her entitlement for War Service Gratuity, whether or no Separation Allowance was payable to another dependant. If it was so payable, prior to or at the time of his discharge, it should presumably have been discontinued and paid to his wife. (See Canadian Rulings, Section 2 Note (g).

Strictly speaking, all that this office requires is proof of Matchem's marriage - it is understood that he took Marriage Certificate with him to Newfoundland - and your assurance that Separation Allowance portion of War Service Gratuity is not being paid to another dependant.

Will you kindly, therefore, expedite decision as to this case.
