Dear Jack,

With reference to your letter of 9/2/19, I am sorry I was missing when you called last week, but I have been spending a few days in Scotland recuperating after the strenuous time experienced in despatching our last big draft to Newfoundland.

With regard to your repatriation, I have put your name on the nominal roll of the draft being sent on Saturday, 15th inst. to embark at Liverpool per S. S. "Scotian". It is to be hoped that you will have heard from Winchester by then, if not, the only course to follow will be to pay this office the cost of your passage which is

I understand the "Scotian" proceeds to St. John's, N.B., and not direct to St. John's, Nfld.,

If you are not prepared to go as soon as the 15th inst., will you please wire this Office? It would be advisable for you to travel in uniform.

Yours sincerely,

Dear Jack - I was in London  
this past week & went to look  
you up, as you said that  
when I had been released  
from the Army you might be  
able to do something about  
transport to the other side.  
Unfortunately for me (your  
luck was in) you were out  
here but Capt Marshall  
said that a draft was being  
about the 18<sup>th</sup>. & if I got a  
guarantee from Winchester,  
for refund, he thought I  
could be included in the

numbered for that date. I have  
written to Winchester but  
so far have had no reply.  
I am very <sup>sorry</sup> to bother you  
about this but I found that  
there were no hooks, in  
appropriate way, before  
may I show the look of  
things there will be another  
war or two on our hands  
by that time which I have  
no desire to participate  
in.

I was released on  
July 3<sup>rd</sup>. So am now  
a bleeding civilian  
so I still wear that

Shirt & Socks & Spring  
Smoking to attention  
Whenever I see a Red Hat.

I remain

Yours Sincerely  
John Nail.

If necessary I would  
come up to see you, & I can  
hear you say in your  
mind for forhid.

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before this war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

21. (a.) State whether the disability is clearly attributable to—

- (i) Service during the present war;
- (ii) Climate;
- (iii) Ordinary military service;
- (iv) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v) Whether it is constitutional or hereditary.

*yes*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

*E.S.W.*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

*yes*

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

*20%*

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

*yes*

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

*no*

29. With reference to Army Council Instruction No. 1275 of 1917, is any surgical appliance recommended?

30. Does the man require the constant attendance of another person?

## Descriptive Return of a Soldier Discharged on Account of Disability

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
