My dear Lieut. Col.

With grateful thanks I wish to acknowledge the receipt of the copies of the grave of my son Lieut. J. C. Mellor.

You may be interested in the statement, that the cross erected on the place of interment was placed there by my other son Lieut. W. E. Mellor of the Canadian Engineers who had made the cross and the metal shield that had the name inscribed upon it, and carried it a distance of nearly 40 miles & placed it there as a tribute of love to a brother well beloved.

It was afterwards shelled and broken as depicted in the picture you sent to us with many thanks and highest regard

Dear Sir. I am in receipt of photos
of my son's grave in France for
which I am deeply grateful.
Please accept my warmest thanks
for them.

I have been wondering whether
you are the son of a Mr Rennels whom
I met over thirty years ago in St

to Halifax from Liverpool, or it
may have been when I was on a
holiday from Halifax to Liverpool?
If so, and if he is still living, please
remember me to him.

Please note change of address

Will there be a medal for my son?

Dear Sir:-

Your letter of May 27th addressed to Mr. H.M. Mott has been passed to this Department, and I have been instructed to reply. I would state for your information that under the regulations governing the issue of War Service Gratuities, no payments are made on account of deceased soldiers. This gratuity is regarded as a personal payment to the soldier for his war service; the only payment issuable to the next of kin and dependents of deceased soldiers is the pension, which you are doubtlessly aware is payable only in cases where the soldier is proved to be the sole or main support of the applicant. I regret, therefore, that no payment on account of War Service Gratuities is due on account of Lieut. F.C. Meller.

Yours faithfully,

Lieut Col.,
Chief Staff Officer.

My dear Sir.

I trust I may be pardoned for writing to you on an important matter.

My son, Lieut. Fred C. Mellor was killed in action on July 1st 1916. He enlisted in August or Sept. 1914 and sailed with the first Contingent. He received his Commission in Scotland. He was a Lieut when killed.

I have been given to understand that the British and Canadian Governments are giving war gratuities for those who have given their lives for the Empire.

May I ask if the Newfoundland Govt. is doing the same? and if so, if I may expect to hear from the Govt. soon or when peace has been declared?

Believe me to be
Yours very faithfully

I am sorry to trouble you again but it is over two months since you informed me that my sons ^{Lieut. F.C. Mellor's} "affects" were being sent on to me, and I have not received them yet.

Naturally, we would like to have anything that was his, and while I do not wish to inconvenience you in any way I thought you would pardon a reminder that we have not received what we feel sure must be somewhere. We have received his Imperial Commission which came to hand last week.

Trusting you will pardon my importunity.

C.R. 0-77

2760
K. July 1-10 1915 Det:

Lt. Mellor was a signalling officer for the Battalion, dark complexion and hair, and a dark moustache. Medium build, about 5ft 7ins. About 27 years of age. The Newfoundland Regt. was with the 88th Brigade, and at exactly 9.10 a.m. on July 1st, left their trenches at St. John's Road, three miles from Maily. A few minutes after they ^{had} started informant got wounded. He crawled back to the trenches he had just left, and from there walked to dressing station at Maily. While waiting there to be taken on down the line, a signaller in the Newfoundland Regt (whose name informant has forgotten), came in wounded. He told informant out of the 36 signallers in the regiment, only 3 including himself had come out all right. He said that Lt. Mellor was killed almost at the start, outright by a machine gun bullet.

Signalling Officer.

I Informant states that on the First July (Saturday) at Ocean Villas the Regiment went over the trenches at 9 a.m., to attack 3rd Line system of German trenches. The Germans instantly opened a violent machine gun fire and our men began to fall. Informant states that practically the whole Regiment was mown down and that Lieut. Moller, Reid and Tylor were most possibly killed. The informant was wounded in the left leg and was left at 9:20 on Saturday until 11:30 a.m., on Sunday. Only those who were wounded and killed quite close to our own firing line were brought in. (Above information also applies to Lieuts Tylor and Reid.)

Mrs. Watherston,

Dear Madam,

*apparently intended
to me (Paw).*

In a recent Casualty list I find the name "Killed in Action" of a nephew of mine Lieut F.C. Meller, 1st Newfoundland Regiment. I have written to the Officers of the Canadian Record Office and other places for confirmation or otherwise of the report and for details but the only information I can get is a bare confirmation of the Report that he is Killed.

The British Red Cross Society have furnished me with your home and address in answer to my request for a list of Wounded Newfoundland Soldiers, as I have conceived the idea that some of these might be in English Hospitals and that there might be those who saw him fall and could tell me more about his end. We are naturally much cut up about it and are anxious to learn more as this was his home on this side, and my wife (who is his Father's only sister) constituted herself his Mother, with absence of his Father and Mother who were so far away in Nova Scotia.

As I asking too great a favour to request that you will kindly enquire from some of the Wounded N.C.O's or men of the 1st Newfd. Regt who would be with him at the engagement, and if possible learn some details of his death, the Manner, whether by Bullet or Shell, and if he received a decent Burial, and the place if possible and any other details of interest which you would desire to know if placed in similar circumstances to myself.

If you can do this you will confer an inestimable favour upon us, but if that is impossible will you kindly send me the names of a few likely ones with whom I may communicate.

Believe me to be, with much admiration for your noble work.

Yours Sincerely,

Frank Marshall.

Dear Sir,

Having heard that the grave of Lieut. F.C. Mellor of the 1st Newfoundland Regt., was seen in September 1916, I feel it my duty to state that I found a Body in the old "No Man's Land" opposite Beaumont Hamel on or about November 19th, 1916 with an identity disc on the left wrist on which was Lieut. F.C. Mellor, 1st Newfoundland Regt. I buried him in a shell hole and marked the grave. Some days later I gave the map reference of the site to the Divl. Graves Registration Officer and asked him if he could move the body to a cemetery. About a week after he told me he had done so.

I swear on my oath that the above statements are true.

Somewhere in France.
April 2nd

Dear Sir,

As usual, I am writing about money matters. I don't know the exact state of my finances, but need money badly. I am going to draw a cheque through Cox's tomorrow for ten pounds, & respectfully ask that you will place or advance that amount to my credit immediately. so that cheque will not be dishonoured at London, should

frances each tomorrow: hope
it is quite in order.

Had a miserable trip
to Southampton. The wires
were down in all directions
& the line had to be cleared
in many places.

The above favour with
greatly oblige.

Yours obediently
J.C. Mellor

I not be in funds.

I have also an insurance
premium of twelve pounds
(Roughly) to meet in May,
but that can wait a bit.

You would oblige me
greatly, if you do not
deduct the field allowance
which you advanced me,
until May. That ~~you~~
would enable me to draw
ten pounds now (if you advance
it) & also pay my premium
out of April's pay settlement.

We are not with our
battalion yet, but hope
to be in a few days.

Dear Sir,

Many thanks
for your telegram of

considerably.

I was warned for the
Trent a week ago &
wish you could get
that Dalkeith allowance
settled & placed to my

in need of funds.

Am going to see the

ask for authority to
have the ninety one days

Would return it a
great favour if you
would kindly let me

Pay & Allowances.

Referring to your letter 2/4/16, I enclose proforma statement of your account to close of current pay period for your information. As will be seen 91 day's Field Allowance was credited you from 24/3/16, and no further credits for Field Allowance will be passed to you until 23/6/16. This amount together with £5/-, special advance against your claim on ~~Scotch~~ Command Paymaster, Scottish Command, was deposited to your credit on my return to London, 29/3/16. All things being equal the balance of £17.16.11 will be deposited on 14/4/16.

Incidentally I have had a telephone message from the Bank of Montreal stating that your account is overdrawn, and under the special circumstances, but without prejudice to any future action, and in view of proximity of next pay date, I have requested the Bank to honour your cheque. Furthermore at the time of your writing it is probable that you had not received the circular letter, a copy of which is enclosed, and which as agreed with both O.C's. 1st. & 2nd. Battalions must be adhered to.

Capt.
Paymaster & O. 1/c Records.

8, April, 6.

Dear Mellor,-

With reference to my official memorandum No.1297/1, what I have done with regard to your account may not be in exact accordance with proper procedure, but I have in mind that you had not received the circular letter which has been drawn up after consultation with both C.O's.; but please do not take my action as a precedent, and it is only done in this instance because presumably at the time of writing your letter you had not received the circular letter. I should advise you to speak to Raley on the matter, who is aware of what passed between the O.C. 1st.Battalion and myself.

I hope by this you have joined the 1st. Battalion, and that you are as comfortable as conditions of active service will allow.

With kind regards,

Yours sincerely,

In reply to a number of your letters, previously acknowledged, which were forwarded to this office from various sources, I am glad to say it is now possible to give you a little information regarding the death of the late Lieutenant Mellor.

Statement by: 2nd Lieut. W. V. Warren,

"On 1st July (Saturday) at "Ocean Villas" (Auchen Villers) the Regiment went over the trenches at 9 a.m. to attack 3rd line system of German trenches. The Germans instantly opened a violent machine gun fire and our men began to fall. Practically the whole Regiment was mown down and Lieut. Mellor was most possibly killed."

Statement by: No. 1418, Pte. S. Evans,
1st Newfoundland Regiment,
No. 29 I.B.D.,
Rouen.

"I saw the body of Lieut. Mellor of B Coy. No. 7 Pl., brought down to "Knightsbridge Barracks" for burial. He was buried just behind the firing line on the Maily Front."
