INSTRUCTIONS TO BE OBSERVED BY THE MEDICAL BOARD PREPARING THE REPORT.

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.

2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though only "severe" or "slight" in themselves, they represent together the equivalent of a single "very severe" injury, such an opinion may be expressed in the columns provided for that purpose.

3. **The board will not express any opinion, either to the Officer examined, or in their report, as to whether he is entitled to compensation, or as to the amount of it, nor will it inform the Officer how the wound or injury has been classified.**

4. **If an Officer makes any enquiry as to wound gratuity he should be told by the board that he should make application in writing to the Secretary of the War Office.**

Claim for Indemnification—Officers.

RETURN of Baggage, Camp Equipage, or Horse Equipment lost on
 Service by Lieut. J. M. Dwyer 2nd Bn. Royal N. S. Highland Regt.
 on March 25th 18
 at Passchendaele under the following circumstances §

I was a stretcher case & unable to look after any of my kit. I have made enquiries but am unable to trace it. The greater part of my kit was practically new so there can be very little depreciation in value, in fact many articles would be worth more to me now.

Articles separately detailed for the loss of which compensation is claimed (to be distinguished under the same classes as those by which they are described in Schedules A and B).	Actual cost of each article			Actual value at the time of loss see Allowance Regulations.			Remarks.

1 Pair Boots	2	0	0	2	0	0	
1 Pair Braces	3	0	0	3	0	0	
Total amount	£			25	10	6	

The foregoing is a true and correct statement of my loss on the occasion referred to; and I hereby certify, upon my honour, that the actual cost of each article, and its true value at the time of loss are correctly stated according to the best of my judgment and belief; that I was not at the time deviating in any respect from the Orders of the General or other Officer Commanding; that I have neither received nor applied for indemnification on account of the above loss through any other channel than that in which the present claim is submitted, that indemnification is not obtainable from any other source, and that I have re-equipped myself for service with the articles in respect of which this claim is made.

(To be signed by the Officer making the claim) J. M. Dwyer

I hereby certify, that I have particularly examined and enquired into the facts and circumstances of the before-mentioned loss, and that I have every reason to believe the same to be correctly and justly stated.
