Sir -

I beg to acknowledge the receipt of a cheque for \$ 70 ⁰⁰/₁₀₀. War Gratuity. I understood that a soldier, whose wife was drawing a separation allowance, would get gratuity at the rate of \$ 100 ⁰⁰/₁₀₀ per month. Is that sent separately or not so. I would like to know, and if so, why did I not get it.

I am pushing on you for a reply as soon as convenient.

Re #933. Cpl. W. Myles

In answer to your letter of February 22nd. regarding the above noted man's allotment, I beg to inform you that we have no record of an allotment current on account of this man, but judging from his letter, I presume he married in the United Kingdom and had an allotment current there, and what he refers to, is the payment of Allotment and Separation Allowance to his wife since her last payment in the U.K.

I may say that allotment and Separation Allowance on his account has not yet been received from London, therefore we are unable to make any payment until we are advised up to what date his wife was paid on the other side.

Reference to enclosed letter passed to me for attention,
will you please say if this man has an allotment or not.
According to the list we took off at the Pay Office his allotment
was cancelled, but in view of the fact that he states he is
drawing Separation Allowance it is evident he must have one in force.
This man is one of these that brought a wife home with him and he
possibly made another allotment on the other side, after cancellation
of the first one. Will you please look into this and let me
know, as soon as possible. In the meantime I have sent him a

Mr J M Howley
St Johns
Dear Sir:

Yesterday I received two
cheques from you on account of 1st Nfld.
Regiment which I can't understand because
one cheque is made payable to Mrs Wm
Miles and the other is made payable to
~~Wm~~ Wm Miles and the amounts are
\$8 ⁷⁰/₁₀₀ and 70^c respectively; now what I can't
understand is why I should get two cheques
and 1 to be payable to my wife and the other to
me. also why is it that the total amount is
only \$9 ⁴⁰/₁₀₀ when every month before this I used to
receive about \$21 ⁰⁰/₁₀₀. Please let me know
by return mail if there is any mistake
as I shall not know whether to cash the
cheques or not. and oblige

Yours very truly
William Miles of Wm

P.S. The numbers of the cheques are 6843 and 6844.

Dear Sir:-

Referring to your letter of October 10th,
I beg to state that your son, William P. Miles cancelled the
allotment in your favor at 70g a day from the 2nd. September
inclusive, therefore the cheque for 70g is the balance due
up to September 1st inclusive, on the old allotment.

The other cheque payable to Mrs. William
Miles is payment under a new allotment, declared by him
of 30g a day from September 2nd inclusive, payable to his
mother. Future cheques will be mailed to her at the same
rate.

Yours truly,

2nd. Lieut. & D/Paymaster.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

for short extension of leave. They being
at present on furlough until 7th inst

Their reason for asking grace is
this, some time ago they went on on Parkway
some 40 miles in order to cut a load
of firewood. Very bad weather ensued
& they were unable to do the work as they
anticipated & consequently are unable
to have it completed by 7th April.

Re #933. Cpl. W. Myles

In answer to your letter of February 22nd, regarding the above noted man's allotment, I beg to inform you that we have no record of an allotment current on account of this man, but judging from his letter, I presume he married in the United Kingdom and had an allotment current there, and what he refers to, is the payment of Allotment and Separation Allowance to his wife since her last payment in the U.K..

I may say that allotment and Separation Allowance on his account has not yet been received from London, therefore we are unable to make any payment until we are advised up to what date his wife was paid on the other side.

Reference to enclosed letter passed to me for attention,
will you please say if this man has an allotment or not.
According to the list we took off at the Pay Office his allotment
was cancelled, but in view of the fact that he states he is
drawing Separation Allowance it is evident he must have one in force.
This man is one of those that brought a wife home with him and he
possibly made another allotment on the other side, after cancellation
of the first one. Will you please look into this and let me
know, as soon as possible. In the meantime I have sent him a
Casual Payment of \$15.00 on account.

of \$15.00, on account of Company Pay.
