Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the Office Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

NOTES.—(1) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

In all cases such as facial injuries, eyes, ears, nose and throat, disfigurement, etc., a specialist's report is to be attached with radiographs where possible; and in cases of amputation the exact position should be stated.

 Note—(b) is only applicable to soldiers invalided at Foreign Stations.

- 22 (a). If not due to any of these causes, to what specific condition do the Board attribute it ?

23. Is the disability in a final stationary condition ? If not
