Notification to the Officer i/c Records that a Soldier is about to be brought before an Invaliding Board at a Central Hospital with a view to discharge from the Service.

Note—On receipt of this notification the Officer i/c Records is to ensure that he has all the documents of the soldier that should be in his possession, or prepare temporary documents in the event of absence or loss of the originals.

In the event of the soldier's discharge documents being forwarded to the Controller, Ministry of Pensions, Army Form W. 3977c is to accompany them whenever possible; the despatch of the documents is not, however, to be delayed for this purpose. If the Army Form has not been received by the Officer i/c Records from the Regimental Paymaster in time for transmission with the discharge documents, it is to be forwarded to the Controller, Ministry of Pensions, as soon as received.
