Sir,

Re Explanation and Authority for Letter of 15. Inst

With reference to the above, I regret that I can only give verbal authority as I received it.

During last month you wrote to the C.O. applying for extra rate of pay, as laid down in Canadian Rules and Regulations. During the consideration of this matter I made an enquiry to the Adjutant, and asked him if any thing was to be done in the matter. The following is what he told me.

The O.C. of the Depot brought your matter before the D.O.C. who said that owing to an N.C.O. being paid as ordely room clerk it would be impossible for you to draw it also, yet he recommended that if the work was too much for one man, that another could be put in to assist in the work. Now as the Adjutant is away I am unable to give any further authority or explanation.

I have the honour to be,

Sir

Latest medical report indicates that he has quite recovered from his disability, and I think it would be quite in order that his application be sent forward to the Flying Corps, but they should be notified for what disability he was discharged from our Regiment, and its subsequent course.

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1163, Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i) active service, (ii) climate, or (iii) ordinary military service.

Active Service

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

Active Service, Conditions

21. Has the disability been aggravated by

(a) Intemperance?

(b) Misconduct?

} No

22. Is the disability permanent?

*Yes as to 1
No as to 2*

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, or total incapacity.

Lessened by one quarter

25. If an operation was advised and declined, was the refusal unreasonable?

26. Do the Board recommend

(a) Discharge as permanently unfit, or

(b) Change to England?

Yes

PAYMASTER & OFFICER IN CHARGE

Sir,

It is in connection with
an advance, that I take the
liberty of writing. At present
I stand a little in debt at
the office about £1. 7 one pound
seven. The due reason of my
being in debt is owing to
my people at home not being
sufficiently financed to carry on
without ^{my help}. I therefore send quite
a few articles home. If however
you will permit me to draw
six pounds I will promise
to make it do untill my
account square. The date of

King George and Queen Mary's Club
for the Oversea Forces.

PEEL HOUSE,
REGENCY STREET,
LONDON, S.W.

Some including the six pounds
would be about the 20th inst.

It is necessary if at all possible
to get the advance, and it will
do me until that date.

If I have taken too much
liberty I ask to be pardoned
and remain
Your obedient servant

The following extract from a letter from the above soldier, recently employed in this Office, is quoted for your information.

"I have the honour to acknowledge receipt of your N. F. P. 35/10609, relating to amount debited to me by J. Plumb & Co. I regret that this matter has been overlooked, due to my not having any time to make arrangements with him when discharged from hospital. Nov. 4th. 1917.

Sir;-

X I have the honour to acknowledge receipt of your N.F.P. 85/10609, relating to amount debited to me by J. Plumb & Co.

I regret that this matter has been overlooked, due to my not having any time to make arrangements with him when discharged from hospital.

I will, however, send the amount at the earliest date possible. X

I was before the Medical Board, who recommended my discharge. The Authorities ordered that the same be held over in views of appointing me Orderly Room Clerk.

I was posted to said duty Oct. 9th/17, and it is quite likely that this appointment will hold good untill the German standard is pulled down.

I beg to tender you with sincere thanks for your kind recommendation, which I am sure served well to bring me under the notice of the Authorities at this Depot.

Sincerely hoping you are enjoying good health, and everything running favourably.

I have the honour to be,

Sir,

Yours very respectfully,

Sir;-

I ask your pardon for troubling you on a personal matter, but I feel confident that you will assist me.

As you are aware, no doubt, I was recommended for discharge shortly after arriving home, but my discharge was held over, as the Authorities wanted me to take up the duties as Orderly Room Clerk, I was therefore attached to the said post with the understanding that I would receive pay as such, as yet the extra pay is held back until Sergt, Edwards (who is acting as Clerk) goes overseas, when I may receive the additional amount, but it is rumoured that another Sergt, (RF) may be appointed for said post, this will leave me doing the same work at a Privates pay, I am at present looking after the pay sheets, which together with other work necessitates my working at night.

If however I should not receive the appointment as clerk, is there any chance open for me in the London Office, provided I pay my way back, and if there is would it have to be arranged from here, or would you re-attest me at London if I went there after receiving my discharge.

I shall deem it a great favour if you will write me at your earliest convenience, and advise me, as I am dissatisfied here for I have many reasons to be so, and should

Dear Sir:-

Your favour of the 17th. inst., to hand. I note that the balance due me is placed at Thirty Dollars and Eighty Cents (\$30.80), and difference in clothing allowance of Twenty Dollars (\$20.00).

I wish to say in reply that I have received two payments out of Five, amounting to Seventy Dollars (\$70.00) or One Hundred and Forty Dollars (\$140.00) in all. This I understand should leave a balance of three more payments, with clothing allowance, amounting in all to Two Hundred and Thirty Dollars (\$230.00).

According to the papers it plainly stated Seventy Dollars (\$70.00) per month for five months for men who served two years and over.

Yours very truly,

N. A. Mornsey
