OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

- (a) Any disability claimed or discovered.
- (b) The present condition thereof.

22. State whether the disabilities are:—

- | | | |
|--|---------------------|-------------------|

| (i.) Service during the present war | | |
| (ii.) Previous active service | | |
| (iii.) Climate in pre-war service | | |
| (iv.) Ordinary military service before the war | | |
| (v.) Serious negligence or misconduct on the part of the soldier | | |
- Give details:

22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures).
- (b) In case of aggravation or where there is any evidence that there was a disability on entry, what in your opinion was the degree of disablement which existed at the time of joining the Army?

25. If an operation was advised and declined, was the refusal unreasonable?

If the Military Member is in disagreement with the Civilian Members, he is to state his opinion in the space provided.

26. (a) Do the Board recommend discharge as physically unfit for further War Service, i.e., do they place him in Grade IV. only?
- OR

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

THE ROYAL NEWFOUNDLAND REGIMENT
DISCHARGE DEPOT

ST. JOHN'S, NEWFOUNDLAND,

MAY 3rd/1919

From Officer Commanding,
Discharge Depot.

To D.O.C., Newfoundland,
Militia Dept.

#211, Ex- Sgt. T. Morrissey.

- The above mentioned ex-Sergeant was detailed for duty last Summer in charge of a squad to operate in Hr. Main District rounding up defaulters under the Military Service Act, Each N.C.O. i/c of a squad was provided with a Cash Form Book with which he paid his expenses. These Cash Forms being forwarded to the Military Service Board by the Payees in question.

With reference to the enclosed receipts Sergeant Morrissey states that he paid the money accounted for out of his own pocket as the people either would not accept the Cash Forms or the Cash Forms were not available. I have made enquiries from Corporal Lawrence who, up to lately, was in charge of the Military Service Board papers and accounts and it appears as far as I can gather that the amounts for which the enclosed receipts stand were not paid; the amount then of \$7.61 covered by the receipts is payable to Sergeant Morrissey. Will you kindly bring the matter before the Military Service Board in order that it may be settled as Sergeant Morrissey is leaving the country in about a week's time.

(a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.

(b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. Dear Sir,

In compliance with your request, I communicated by cable with Capt. Timewell at the Record Office of the First Newfoundland Regiment, London, on Friday last, and requested him to ascertain and inform me of the nature of the illness of your son, No. 211, Private Thomas Patrick Morrissey. I am now in receipt of a reply from Capt. Timewell, in which he states that it has been found necessary to remove your son's right eye, but that, under the circumstances, he is doing very well. The injury which has led to this is not stated by Capt. Timewell.

I very much regret the severe loss which your son has sustained and trust that his complete recovery will shortly be reported.

Yours faithfully,

Colonial Secretary.
