Sir

Mrs Murley wife of Pte George Murley, who enlisted at Port-Aux-Basques last week of Feb and went on to St. John for training has received no allotment of his pay up to date - I have written to Major Montgomery for her and she has written to her husband, but no replies have been received. I am inclined to believe he has enlisted as a single man. Mrs Murley is destitute and now living on her father. This couple were married at Sydney last year and returned here in January. Will you please take up her case at your very earliest convenience.

Dear Sir,

I beg to acknowledge receipt of your letter of Apl. 5th., having reference to the case of Mrs' Murley wife of Private Geo. Murley of the Royal Newfoundland Regiment.

Upon enquiry I find that this man has made an allotment of Fifty Cents (50 cts.) per day to his wife, commencing from April 1st, 1918. The first cheque on this account will be sent to Mrs. Murley on May 6th.

Yours faithfully,

I have your communication of 3rd inst.,
in connection with letter from this man's wife.

I would suggest that you point out to
the soldier that he has placed himself in a ser-
ious position by enlisting as a single man when
he was married. He is liable to prosecution on
the grounds of fraudulent enlistment. It might
also be pointed out to him that under the regul-
ations, being a married man, his wife is entit-
led to separation allowance, and that in order for
her to get same, he must allot at least 50% of
his pay. It is further provided that in cases
where a man refuses to allot, this 50% may be ded-
ucted from his pay by the Military Authorities.

You will point out to the man that it
would be much better for him to make a voluntary
allotment rather than have the amount deducted
from his pay. Please advise me in due course
what has been done.

With regard to the attached letter dated March 6th 1918 from Namione Murley.

I have questioned her husband -No.4356 Pte.Geo.Murley- and have elicited the following information from him after reading to him the letter from his wife: He states that he positively refuses to contribute to his wife's support or to fill out an allotment form in her favour, and will not make any statement whatever as to why he makes such refusal.

I may say for your information that Murley is 18 years of age, and when enlisting stated that he was a single man. He states now however that he was married to the woman noted above on the 10th of last July.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
