ST. JOHNS, N.F.L.D.
N.F.P. 53. No. 1281/14
DATED 4 JUN 1917

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability. unknown

10. Place of origin of disability. unknown

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

Entry on A. F. B 178
3rd Lond. Gen. Hosp.
Down shoulder in chest
no T. B. in sputum

Patient enlisted early in 1916 & states that he has been fit for his work. I am informed, however, that he is incapable, cannot be instructed & is intensely stupid. These statements are made to me by 2/Lt Johnson the O/C of his company & by the R.S.M. Mr. McKay who have observed him for a considerable time. The man states that he was for a month in hospital with pneumonia & that he still has a cough & spit.

12. (a) Give your opinion as to the causation of the disability.

(b) If you consider it to have been caused by active service, climate, or ordinary military service, explain the specific conditions to which you attribute it (See notes on page 3).

unknown
not as caused

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

He is a well built rather fat man of a ruddy complexion. His expression is dull and stupid. He is quite cheerful & is not at any time subject to attacks of depression. There are distinct signs of chronic bronchitis to be heard over both bases. The heart is quite normal. As his intelligence is of such poor quality it is unlikely that he will ever become an efficient soldier.

14. If the disability is an injury, was it caused

- (a) In action?
- (b) On field service?
- (c) On duty?
- (d) Off duty?

15. Was a Court of Inquiry held on the injury?

- If so—(a) When?
- (b) Where?
 - (c) Opinion?

16. Was an operation performed? If so, what?

17. If not, was an operation advised and declined?

18. In case of loss or decay of teeth. Is the loss of teeth the result of wounds, injury or disease, directly* attributable to active service?

19. Do you recommend

- (a) Discharge as permanently unfit, or
- (b) Change to England?

Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability. Unknown

10. Place of origin of disability. unknown

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

Entry on A. 7. 13178
3rd Low Gen. Hosp.
some rhonchi in chest
no T. B. in sputum

Patient enlisted early in 1916 and states that he has been fit for his work. I am informed, however, that he is incapable, cannot be instructed, and is intensely stupid. These statements are made to me by 2/Lt. Johnson the 2nd of his company and by the R. S. M. W. M'Kay who has observed him for a considerable time. The man states that he was for a month in hospital with 'pneumonia', that he still has a cough and spit.

12. (a) Give your opinion as to the causation of the disability.

unknown

(b) If you consider it to have been caused by active service, climate, or ordinary military service, explain the specific conditions to which you attribute it (See notes on page 3).

unknown

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

He is a well-built rather fat man of a muddy complexion. His expression is dull and stupid. He is quite cheerful and is not at any time subject to attacks of depression. There are distinct signs of chronic bronchitis to be heard over both bases. The heart is quite normal. As his intelligence is of such poor quality it is unlikely that he will ever become an efficient soldier.

14. If the disability is an injury, was it caused

- (a) In action?
- (b) On field service?
- (c) On duty?
- (d) Off duty?

15. Was a Court of Inquiry held on the injury?

- If so—(a) When?
- (b) Where?
- (c) Opinion?

16. Was an operation performed? If so, what?

17. If not, was an operation advised and declined?

18. In case of loss or decay of teeth. Is the loss of teeth the result of wounds, injury or disease, directly* attributable to active service?

19. Do you recommend

- (a) Discharge as permanently unfit,
or
- (b) Change to England?

not applicable

Discharge as permanently unfit

* Loss of teeth on, or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

* Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

Norms.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 1162 and 1165, Pay Warrant, 1913).
- (iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

Not applicable

21. Has the disability been aggravated by

- (a) Intemperance?
- (b) Misconduct?
- (c) Any of the conditions mentioned in Question 20, and if so which?

22. Is the disability permanent?

Yes, from natural causes

23. If not permanent, what is its probable minimum duration?

To be stated in months

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

none

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, or total incapacity.

24a. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

25. If an operation was advised and declined, was the refusal unreasonable?

26. Do the Board recommend

- (a) Discharge as permanently unfit, *yes (see report page)*
- or
- (b) Change to England?

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
