Dear Colonel Rendell

Dear Sir, I beg to enquire if there has been anything belonging to my late Brother Sir 1880 Capt Richard Neville come to hand he is over two years dead now & there has not been as much as a letter returned to me you told me some time ago that when the ribbons medals came I would be notified no such notice has been received probably the same old mistake about the next of kin has occurred again as when the M.M. was to be presented the wrong name was used causing delay & annoyances

with the result that when the name was called there was none to receive through Governor Davidson's courtesy I received it privately at Government House knowing my brother to have such things as a watch & ring I would like to know where these things go after they are dead as I have been told they don't take in the field with them.

Hoping to hear from you about his colours if no more

Dear Sir

I wish to call your attention to the matter of Gratuity Service pay for my late Brother Serg. P. Verille who was killed in action on April 14th 1917. Serg. Verille was the son of the late Richard and Ellen Verille of Lopsail Road and resided with me at the time of enlisting. I called at the Militia Dept this morning you were engaged and not having time to spare I went on to Lewis. Col. Bendell who treated me courteously, but as he explained as there was no separate allowance

Hoping you will give the
matter your earliest attention
and knowing how difficult is
your position
