MADE IN U.S.A.
Aug. 11, 1917.

3578 Pt W Newell
Sir,

I am in receipt of your letter of the 6th inst., asking if the message which you wished to be sent to your boy, who was reported ill, reached him. Immediately upon its receipt, it was wired to the other side of the water. There is no doubt that it would be delivered to him, as he lingered for ten days after the first report of illness. I think therefore that you can be quite satisfied that he received your last messages of sympathy and love.

In relation to the statement appearing in the newspapers, giving the number of recruits from various settlements, I quite agree with you that the Dock was not represented properly. You most certainly should have got credit for the numbers sent forward from your settlement, which certainly constituted a splendid showing. However, these returns in the papers are not official and they are certainly not correct in every particular. The Committee which looks after the work does the best possible, but I know quite a number of instances in which the returns have not been complete or correct. I shall inform the person in charge of this work of the very splendid record the Dock has made in this connection, so that he may be aware of what you have done.

The nomenclature Committee recommended the changing of

(the

the name Dock to Kitchener. The notice published in the papers is to call the attention of the people to the same, so that if they object to the change, they might make the proper representation. Now this notice expires on the 22nd of this month. If the people residing in the Dock do not desire this change, they should at once get up a petition, have it signed by all the people and send it to this office without delay. I shall then submit it to the Nomenclature Committee for their consideration.

I have the honour to be,
Sir,
Your obedient servant,

Acting Colonial Secretary.

With reference to your letter 26/3/18 (2840) It is observed that Regimental Number and initials of the Deceased Soldier are not quoted, but it is understood that your enquiry refers to the above named who died at Ayr County Hospital 17/7/17.

None of his effects have been received and it appears that no money was recovered from his person. Possibly his father may refer to the balance due to the Deceased's estate on account of Pay and Allowance. If so, he should be informed that this can only be dealt with in accordance with the will of the Soldier, with the instructions of the person or persons administering the estate. Application for ~~which~~ should be made to the Minister of Militia, St. John's, Newfoundland.

Dear Sir

I beg to inquire, and ask what became of the money our son had in his pocket when he died, and his balance of pay up to the day of his death.

Our Boy went with the draft that left St John's May 19th 1917

He took, has a reserve fund for the other side two Sovereigns. He arrived in Scotland May 10th and wrote me the 15th saying tomorrow is pay day and I shall have too much money in my pocket wish I had left it home.

He was taken to hospital about June 19th and died July 17.

We have received one pound with a few other things. (all) so far as we can find out that he spent, was what he paid for his tea one evening.

What became of the balance please reply, and oblige
