**OPINION OF THE MEDICAL BOARD.**

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—  
 (a) Any disability claimed or discovered.  
 (b) The present condition thereof.

22. State whether the disabilities are:—

Should you kindly let me know if you looked after the stopping of my allotment as you promised me you would at Aldershot, I would like to know if it is still in force or if not, the date it was cancelled at the Bank.
