A set of three forms will be made out for each soldier whose discharge is approved, and will be dispatched to the officers severally indicated.

Attention is drawn to the fact that Forms A, B and C of each set are not in identical terms.

Descriptive Return of a Soldier discharged on account of Disability.

INSTRUCTIONS.—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital.

Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability.

July 1st 1916.

10. Place of origin of disability.

At. Mailly Mailly France.

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

Whilst advancing patient was wounded by an explosive bullet which struck the lower end of right Fibia entering about two (2) inches above the ankle joint. The bullet was removed at the C. C. S. and patient immediately transferred to the 3rd London General Hospital. arriving there on July 5th 1916.

12. (a) Give your opinion as to the causation of the disability.

Active Service

(b) If you consider it to have been caused by active service, climate, or ordinary military service, explain the specific conditions to which you attribute it (See notes on page 3).

G. I. W.

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

Wounds are all healed, good union has taken place between the fractured bones. They are in fairly good position. Patient is unable to get his foot to the ground

14. If the disability is an injury, was it caused

- (a) In action?
 (b) On field service?
 (c) On duty?
 (d) Off duty?

Yes.

15. Was a Court of Inquiry held on the injury?

- If so—(a) When?

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1163, Pay Warrant, 1913).
- (iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Active Service

G. S. W.

- (b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

(a) Intemperance?

No.

(b) Misconduct?

No.

22. Is the disability permanent?

Yes.

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

Total at present.

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, or total incapacity.

25. If an operation was advised and declined, was the refusal unreasonable?

Vide 16.

26. Do the Board recommend

(a) Discharge as permanently unfit, or

Yes.

(b) Change to England?

Lt. Col. R. W. C. S.
London General Hospital

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1163, Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Active Service
G.S.W.

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

(a) Intemperance?

(b) Misconduct?

No
No
Yes

22. Is the disability permanent?

23. If not permanent, what is its probable minimum duration?

To be stated in months.

Yes

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

Total at present

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, or total incapacity.

25. If an operation was advised and declined, was the refusal unreasonable?

Vide 16

26. Do the Board recommend

(a) Discharge as permanently unfit, or

(b) ~~Change to England?~~

Yes

All Messages Sent are Subject to the Following Conditions:

The Management may decline to forward the Message, though it has been received for transmission; but in case of so doing shall refund to the Sender the amount paid for its transmission.

In case the Message shall never reach its destination by reason of any neglect or default of the N. P. T. or its Servants whilst the Message remains under the control of the N. P. T., they will refund the amount paid by the Sender for such Message.

The N. P. T. shall not be liable to make compensation beyond the amount refunded as above for any loss, injury, or damage arising or resulting from the non-transmission or non-delivery of the Message, or delay or error in the transmission or delivery thereof, howsoever such transmission, non-delivery, delay, or error shall have occurred.

The control of the N. P. T. over the Message shall be deemed to have entirely ceased for the purposes of these Conditions at any point where, in the course of the transit of the Message to its destination, it may be entrusted by the N. P. T. (and the N. P. T. shall have full power so to entrust the Message) for further transmission by or through any system, service, or line of Telegraph belonging to or worked by any administration or authority not controlled by the N. P. T. exclusively, although worked as part of or in connection with the Telegraphic system or service of the N. P. T.

I request that the following Telegram may be forwarded according to the foregoing Conditions, by which I agree to abide.
