He has one child at home in Newfoundland. Can the allowance be drawn for his child from the date of his wife's death onwards, please.

A Guardian should be nominated, in writing, by the soldier for the purpose of receiving the allowance. The allowance is issuable only to children under the ages of 16 (Boys) and 17 (Girls).

The soldier should allot at least 50% of his pay in favour of his child.

Allotment forms are enclosed for completion and return.

Herewith allotment forms completed in duplicate

N. F. P. 82, Completed,
Authority for appointment of Guardian.

With reference to N.F.P.82, para.3. L/Cpl states Noseworthy states that he cannot say with whom the child now resides as he has not heard of his child since his wife died. Perhaps you could obtain this from H. C. in St. John's. You will also notice that on allotment form, I have placed against the Guardian's address (or forward). This is due to the fact that L/Cpl. Noseworthy is not sure as to whether the Guardian has left this address as he has not heard from her for some time. Perhaps you may be able to adjust this.

Reference your 12105/1/R&O dated November 12/17 addressed to 5219, L/Opl (Pte) E. Noseworthy. This N.C.O. wishes to have enquiry made as to who is now drawing his allotment. He has one child at home in Newfoundland. With regard to his claim (not yet submitted) for Separation Allowance please say how should fall up form so that amount due him to date of wife's death can be recovered. Can the allowance be drawn for his child from the date of his wife's death onwards, please.

With reference attached memorandum 2/1/18 (260), from Officer Commanding Royal Newfoundland Regt.- Claim for Separation Allowance should be prepared as described on the enclosed form, N.F.P.82, and will be presumably be payable from the date of his wife's death. A Guardian should be nominated, in writing, by the soldier for the purpose of receiving the allowance. The allowance is issuable only to children under the ages of 16 (Boys) and 17 (Girls).

The soldier should allot at least 50% of his pay in favour of his child.

Allotment forms are enclosed for completion and return.

The date of commencement will be the date following the date of last payment to his wife (now deceased) which will be ascertained later.

With reference to N.F.P.82, para.3. L/Opl states Noseworthy states that he cannot say with whom the child now resides as he has not heard of his child since his wife died. Perhaps you could obtain this from H. Q. in St. John's. You will also notice that on allotment form, I have placed against the guardian's address (or forward). This is due to the fact that L/Opl. Noseworthy is not sure as to whether the guardian has left this address as he has not heard from her for some time. Perhaps you may be able to adjust this.

 Mr. Scurry states that he cannot
 say with whom the child now resides,
 as he has not heard of his child since
 his wife died. Perhaps you could
 obtain this from HQ in St. Johns.

You will also notice that on
 Alliance Form, I have placed against
 the Guardian's address (or forward),
 then is due to the fact that Mr.
 Scurry is not sure as to whether
 the Guardian has left this address,
 as he has not heard from her for some

The facts, in so far as they concern this Office, are as follows: On 20/12/18 a Memo dated 15/12/18 was received from the Adjutant, 34th Divisional Reception Camp, B.E.F., stating that Noseworthy was an absentee (as from 4/12/18). Steps were then taken in the usual way to apprehend him. This was successfully accomplished by the Civil Police on 1/3/19, who handed him over to the Garrison Sgt.-Major, Wallis Yard, London, S.W. 1, on 3/3/19 for return to B.E.F.

According to the A.A.G., London District, Noseworthy proceeded to Southampton under escort and en route to the B.E.F. on 5/3/19.

It is not understood why it was thought A.F. B.115 should be in the possession of this Office, please.

Presumably, any evidence would have been forwarded with prisoner in accordance with para. 3, A.C.I. 1665 of 1917.

Sir,

I beg to acknowledge receipt of your memorandum No. C.M.419 dated 16/7/19 with regard to two members of The Royal Newfoundland Regiment, viz. 2956 Pte. Butler and 3219 Pte. Nosworthy, and to state that Southern Command letter No. 298700/45 A.2- (Disc) was received.

Apparently there was a misunderstanding with regard to the repatriation of these two men, as invariably it has been this Office which arranges the Overseas Transport of returning soldiers, the cost being charge^d against the Newfoundland Government. Will you kindly cause instructions to be given, should similar instances occur, that they should be referred here?

On receipt of your previous memorandum, H.Q. Newfoundland was immediately telegraphed to, in order that, if possible, arrangements might be made for the transfer of these men from the Dominion of Canada to the Dominion of Newfoundland.

I am,

Sir,

Your obedient servant,

Major,

INSTRUCTIONS.

1. These forms are to be completed in all cases of accidental or self-inflicted injuries, involving a soldier's absence from duty, whether due to the man's own act, or that of a comrade, or to other extraneous circumstances.

2. Where several casualties occur as the result of one accident, one form is to be completed for each Officer or other rank injured, but only one set of statements from the witnesses of the accident need be attached.

3. Full statements are to be taken by an Officer from the witnesses of the accident. These statements will be signed by the witnesses making them, and by the Officer who takes them, and will be forwarded with this Form. Where it is intended to take disciplinary action, copies of these statements should be retained by the Unit for use in lieu of a summary of evidence.

4. Where it is possible to obtain it, a statement from the injured man will also be forwarded. This, however, should not be used as evidence against him in any subsequent disciplinary proceedings.

Special Instructions as to Evidence in Cases of Self-Inflicted Wounds.

5. In these cases the statements mentioned, in paragraphs 2 and 3 above should bring out all material points, e.g., statements to the effect that the witness was with the accused standing on the fire step (or sitting in a dug-out); that the accused was cleaning his rifle; position of safety catch, magazine, etc., if known; muzzle of rifle on toe of foot; hand on muzzle; that accused pulled trigger; that the rifle was afterwards examined and an empty cartridge case was found in chamber; that accused was seen to be wounded; what accused said ("I have shot myself," "I did not know it was loaded," etc.).

6. A soldier is specially trained in the safe use of his rifle and revolver, and evidence of any neglect of the ordinary precautions as to their handling in such cases, usually has considerable bearing on the question of negligence. In cases of wilful self-wounding the fullest possible evidence should be obtained; unless the evidence is conclusive this charge should not be used. The charge will therefore usually be laid under sec. 40 Army Act—"Conduct to the prejudice of good order and military discipline in wounding himself through negligently handling a rifle," and an alternative charge to this effect should be made, even if the accused is to be tried under section 18 for wilful maiming.

Sir,

I beg to acknowledge receipt of your memorandum No. C.M.419 dated 16/7/19 with regard to two members of The Royal Newfoundland Regiment, viz. 2956 Pte. Butler and 3219 Pte. Roseworthy, and to state that Southern Command letter No. 398700/45 A.2- (Disc) was received.

Apparently there was a misunderstanding with regard to the repatriation of these two men, as invariably it has been this Office which arranges the Overseas Transport of returning soldiers, the cost being charged against the Newfoundland Government. Will you kindly cause instructions to be given, should similar instances occur, that they should be referred here?

On receipt of your previous memorandum, H.Q. Newfoundland was immediately telegraphed to, in order that, if possible, arrangements might be made for the transfer of these men from the Dominion of Canada to the Dominion of Newfoundland.

I am,

Sir,

Your obedient servant,

Major,
